Item 5: Announcement of upcoming events to interested parties

Members of the Transit Department along with a representative of the City of Amarillo – Public Works Engineering Department will work together on this project and will be available to answer questions.

Title VI Notice

Interested parties are hereby afforded the opportunity to comment on the proposed Projects as well as on the performance of Amarillo City Transit, request additional information on Amarillo City Transit's nondiscrimination obligations or file a complaint. Written comments may be submitted to the Assistant City Manager of Public Services, P.O. Box 1971, Amarillo, Texas 79105.

Limited English Proficiency

Amarillo City Transit has a limited English Proficiency Plan where Amarillo City Transit information in other languages is made available at no cost. Should you desire information, you may contact Amarillo City Transit at 378-3095.

Accessibility Statement

Amarillo City Hall is accessible to individuals with disabilities through its main entry on the south side (SE 7th Avenue) of the building. An access ramp leading to the main entry is located at the southwest corner of the building. Parking spaces for individuals with disabilities are available in the south parking lot. City Hall is equipped with restroom facilities, communications equipment and elevators that are accessible. Individuals with disabilities who require special accommodations for a sign language interpreter must make a request with the City Secretary two business days before the meeting, by telephoning 378-3013, or the City TDD telephone number at 378-4229.

The Advisory Commission for People with Disabilities reserves the right and hereby gives notice that it may conduct an executive session, as the Advisory Commission for People with Disabilities may find necessary, on any item of business listed in this agenda for which state law authorizes an executive session, even if such item is not specifically designed to be an executive session item.

Public Comment Information

The Transit Department is working on the following projects.

1. Proposed Fixed Route Modifications
   Add service to new areas
   Add new bus stops
   Adjust route timing

2. Bus Bench Project
   Survey and evaluate all bus stops
   New bus stop accessibility guidelines

3. Bus Stop Construction Project
   Based on the bus stop surveys, new bus stop pads will be constructed
