IV. Plan Review Required

Plans must be submitted with an Application for Plan Examination and the appropriate deposit before a permit can be issued, except as listed below.

Plans are not required for the following:

- When the electrical system rating does not exceed 400 amps.
- Work completed by a governmental subdivision or state agency costing less than \$25,000.00

If the work being performed is described above, check below **"Plans Not Required"**

What is the building size in square footage? _____ What is the rating of the service or feeder in ampere? _____

Plans are required for all other building types and shall be prepared by or under the direct supervision of an architect or engineer licensed pursuant to State of Texas statues and shall bear that architect's or engineer's seal and signature.

Plans not required

V. Homeowner Affidavit

I hereby certify the Electrical work described on this permit application shall be **installed by myself in my own home** in which is my legal residence of record and I have not obtained or held an Electrical permit within the past two (2) years at any other residence. All work shall be installed in accordance with the City of Amarillo Electrical Code and **shall not be enclosed, covered up, or put into operation** until it has been **inspected and approved** by a City of Amarillo electrical inspector. I will cooperate with the electrical inspector and assume the responsibility to arrange for required inspections.

VI. Applicant Signature

I herby certify that the proposed work is authorized by the owner of record and that I have been authorized by the owner to make this application as his/her authorized agent, and we agree to conform to all applicable laws of the State of Texas and the City of Amarillo. All information on this application is accurate to the best of my knowledge.

Signature of Licensee or Homeowner (Homeowner's signature indicates compliance with Section V Homeowner Affidavit)	Date
Printed name	

Complete Application on Back Side

VII. Fee Clarifications

ITEM #25 & #26 MOBILE HOME UNIT SITE:

When installing a site service in a park, the permit applicant must include the application fee, plus the number of park sites (pedestals). When setting a HUD mobile home in a park, a permit must include the application fee and a feeder. This shall be done by a licensed electrical contractor. When setting a HUD mobile home or a Premanufactured home on private property, a permit must include the application fee, service and feeder.

Description of work to be performed

Make checks payable to
"CITY OF AMARILLO"

TOTAL FEES
 → Must include application fee #1

IX. Instructions for Completing Application

GENERAL: Electrical work shall not be started until the application for permit has been filed with City of Amarillo Department of Building Safety. All installations shall be in conformance with the City of Amarillo Electrical Code. **No work shall be concealed until it has been inspected and approved.** The inspection telephone number will be provided on the permit form. When ready for inspection, call The Amarillo Department of Building Safety providing as much advance notice as possible. The inspection department will need the **job address** and **permit number**.

EXPIRATION OF PERMIT: A permit remains valid as long as work is progressing and inspections are requested and conducted. A permit shall become invalid if the authorized work is not commenced within six months after issuance of the permit or if the authorized work is suspended or abandoned for a period of six months after the time of commencing the work. **A PERMIT WILL BE CANCELLED WHEN NO INSPECTIONS ARE REQUESTED AND CONDUCTED WITHIN SIX MONTHS OF THE DATE OF ISSUANCE OR THE DATE OF A PREVIOUS INSPECTION. CANCELLED PERMITS CANNOT BE REFUNDED OR REINSTATED.**
