Typical License and hold Harmless Agreement Process:

The attached form is your application for the City of Amarillo's consideration to allow the encumbrance of public rights-of-way or easements. If this request is approved, a License and Hold Harmless Agreement is prepared which shall comply with Section 4-6-189 of the Amarillo Code of Ordinances. This Section controls the consideration of request for encumbrances on, over, under, or through public rights-of-way. The requirements are as follows:

- The right to encumber the Public Right-of-way may be granted only by license and every Grantee of a license shall agree to indemnify and hold the City of Amarillo harmless from any and all damages to persons or property, or both, arising in any ways out of the use of the licensed premises. Each person applying for a license shall pay an application fee of TWO HUNDRED AND FIFTY DOLLAREDS (\$250.00) to cover the expenses of the processing costs associated therewith.
- No individual, person, firm, or corporation shall be granted a license for an encumbrance of the Public Right-of-way that would adversely affect the public health, safety, or welfare of the citizens of the City of Amarillo.
- A licensee shall pay a licensee fee depending upon the amount of right-of-way encumbered as set out below. In no event shall a license fee be less than TWO HUNDRED AND FIFTY DOLLARS (\$520.00) for a period of one year.
 - For a private license authorizing a surface encroachment at the sidewalk level, the annual license fee shall be 7% of the fair market value times the square footage of encumbrance.
 - For a private license authorizing an air space encroachment above the sidewalks level, the annual license fee shall be 7% of the fair market value times the square footage of encumbrance.
 - For a private license to encumber subsurface area, the annual license fee shall be 2% of the fair market value times the square footage of encumbrance.
- Any individual, person, firm, or cooperation wishing to encumber the Public Right-of-way in any manner shall submit a license application to Development Services. Upon receipt (and normal City department and utility company review) of such application, the Director of Planning shall forward the request to the City Manager for approval.
- Any license granted hereunder shall be drafted or approved by the City Attorney.
- In the event any individual, firm, person, or corporation is denied a license, he shall have the right to appeal such denial to the City Council by filing a written notice of appeal with the City Secretary no later than five (5) days from his receipt of notice of the denial of his request.
- The City Council shall hear the applicants' request and shall determine whether or not to uphold the denial or to grant the request as presented or to modify it.
