CONSIDER APPROVAL OF AMARILLO CITY TRANSIT DRUG & ALCOHOL POLICY CHANGES FOR 2018.

#### **Agenda Item Summary**

The City of Amarillo receives federal funding from the Department of Transportation (DOT) Federal Transit Administration (FTA) and is thereby required to comply with 49 CFR Part 40 USDOT Drug & Alcohol Regulations. The new regulations became effective 1/1/18. The revised ACT Drug & Alcohol Policy incorporates the City of Amarillo Substance Abuse Policy and the new DOT policy addendum. The most significant revision is the addition of four opioids to the drug testing panel. Because the rule implementing the policy was not finalized until 11/13/17, DOT has given covered agencies a grace period in which to have the governing authorities approve the policy by the end of February 2018.

#### **Requested Action**

Request approval of the ACT Drug & Alcohol Policy that includes the 1/1/18 Policy Addendum as required to receive federal funding.

#### **Funding Summary**

No additional funding is required.

#### **Community Engagement Summary**

The Drug & Alcohol Policy protects ACT users, residents and COA capital investments by promoting a Drug Free Workplace. ACT employees were given a copy of the policy prior to 1/1/18 and were required to sign that they were made aware of the changes. Employees will receive a copy of the Drug & Alcohol Policy once approved by City Council.

#### **Staff Recommendation**

Staff recommends approving the Drug & Alcohol Policy.

WHEREAS, the Federal Transit Administration (FTA) of the U.S. Department of

Transportation (DOT) has enacted 49 CFR Part 655, which prohibits and requires transit agencies to test for drug use and alcohol misuse by transit employees. As amended, Part 655 mandates urine drug testing and breath alcohol testing for safety sensitive positions and prevents performance of safety sensitive functions when there is a positive test result;

WHEREAS, 49 CFR Part 655 must be read in conjunction with 49 CFR Part 40, as amended, that sets standards for conducting workplace drug and alcohol testing for the federally regulated transportation industry;

**WHEREAS**, the DOT has enacted 49 CFR Part 29, "The Drug-Free Workplace Act of 1988", which requires the establishment of drug-free workplace policies and the reporting of certain drug-related offenses to the FTA;

WHEREAS, in accordance with these regulations, the City of Amarillo's City Transit has revised the written Substance Abuse Policy that is designed to comply with all policies as set forth by the standards of DOT's FTA;

WHEREAS, the City of Amarillo's Personnel Rules provides for the termination of any employee failing to pass a urine or breath test. This Substance Abuse Policy incorporates all federal and City requirements for all employees in the Transit Department. Moreover, where the City personnel rules are more restrictive than the Substance Abuse Policy, the more restrictive policy will apply; and

WHEREAS, the Substance Abuse Policy applies to all transit system employees, paid parttime employees, volunteers, and contractors when they are on transit property or when performing any transit-related business. Visitors, vendors, and contractor employees are governed by this policy while on transit premise and will not be permitted to conduct business if found to be in violation of this policy.

WHEREAS, the City Council has reviewed the Substance Abuse Policy for the Transit Department; and

## NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF AMARILLO, TEXAS THAT:

**Section 1.** The City Council does hereby approve the City of Amarillo's City Transit Substance Abuse Policy.

Section 2. **Section 3.** Should any part of this Resolution conflict with any other resolution, then such other resolution is repealed to the extent of the conflict with this Resolution.

**Section 4.** Should any word, phrase, or part of this Resolution be found to be invalid or unconstitutional, such finding shall not affect any other word, phrase, or part hereof and such shall be and continue in effect.

Section 5. This Resolution shall be effective on and after its adoption.

#### Zero Tolerance

Per Amarillo City Transit policy, any employee who tests positive for drugs or alcohol (BAC at or above 0.04) or refuses to test will be referred to a Substance Abuse Professional (SAP) and subject to immediate termination.

### Circumstances for Testing

#### **Pre-Employment Testing**

As a condition of appointment, transferred and promoted employees to a new position at the City of Amarillo must submit to and pass drug and/or alcohol test prior to appointment and if required, undergo and pass a physical examination, at the City's expense prior to appointment. Any employee involved in an accident while on duty may be required to submit to a drug and/or alcohol tests.

Pre-employment alcohol tests are conducted after making a contingent offer of employment or transfer. All pre-employment alcohol tests will be conducted using the procedures set forth in 49 CFR Part 40.

A negative pre-employment drug test result is required before an employee can first perform safety-sensitive functions. If a pre-employment test is cancelled, the individual will be required to undergo another test and successfully pass with a verified negative result before performing safety-sensitive functions.

If a covered employee has not performed a safety-sensitive function for 90 or more consecutive calendar days, and has not been in the random testing pool during that time, the employee must take and pass a pre-employment test before he or she can return to a safety-sensitive function.

A covered employee or applicant who has previously failed or refused a DOT pre-employment drug and/or alcohol test must provide proof of having successfully completed a referral, evaluation, and treatment plan meeting DOT requirements.

#### Reasonable Suspicion Testing

All covered employees shall be subject to a drug and/or alcohol test when Amarillo City Transit has reasonable suspicion to believe that the covered employee has used a prohibited drug and/or engaged in alcohol misuse. A reasonable suspicion referral for testing will be made by a trained supervisor or other trained company official on the basis of specific, contemporaneous, articulable observations concerning the appearance, behavior, speech, or body odors of the covered employee.

Covered employees may be subject to reasonable suspicion drug testing any time while on duty.

Covered employees may be subject to reasonable suspicion alcohol testing while the employee is performing safety-sensitive functions, just before the employee is to perform safety-sensitive functions, or just after the employee has ceased performing such functions.

#### **Post-Accident Testing**

Covered employees shall be subject to post-accident drug and alcohol testing under the following circumstances:

#### **Fatal Accidents**

As soon as practicable following an accident involving the loss of a human life, drug and alcohol tests will be conducted on each surviving covered employee operating the public transportation vehicle at the time of the accident. In addition, any other covered employee whose performance could have contributed to the accident, as determined by Amarillo City Transit using the best information available at the time of the decision, will be tested.

#### Non-fatal Accidents

- (1) The accident results in injuries requiring immediate medical treatment away from the scene, unless the covered employee can be completely discounted as a contributing factor to the accident
- (2) One or more vehicles incurs disabling damage and must be towed away from the scene, unless the covered employee can be completely discounted as a contributing factor to the accident
- (3) The vehicle is a rail car, trolley car or bus, or vessel, and is removed from operation, unless the covered employee can be completely discounted as a contributing factor to the accident

Page **6** of **15** 

A covered employee subject to post-accident testing must remain readily available, or it is considered a refusal to test. Nothing in this section shall be construed to require the delay of necessary medical attention for the injured following an accident or to prohibit a covered employee from leaving the scene of an accident for the period necessary to obtain assistance in responding to the accident or to obtain necessary emergency medical care.

#### **Random Testing**

Random drug and alcohol tests are unannounced and unpredictable, and the dates for administering random tests are spread reasonably throughout the calendar year. Random testing will be conducted at all times of the day when safety-sensitive functions are performed.

Testing rates will meet or exceed the minimum annual percentage rate set each year by the FTA administrator. The current year testing rates can be viewed online at <a href="https://www.transportation.gov/odapc/random-testing-rates">www.transportation.gov/odapc/random-testing-rates</a>.

The selection of employees for random drug and alcohol testing will be made by a scientifically valid method, such as a random number table or a computer-based random number generator. Under the selection process used, each covered employee will have an equal chance of being tested each time selections are made.

A covered employee may only be randomly tested for alcohol misuse while the employee is performing safety-sensitive functions, just before the employee is to perform safety-sensitive functions, or just after the employee has ceased performing such functions. A covered employee may be randomly tested for prohibited drug use anytime while on duty.

Each covered employee who is notified of selection for random drug or random alcohol testing must immediately proceed to the designated testing site.

#### Random Testing – End of Shift

Random testing may occur anytime an employee is on duty so long as the employee is notified prior to the end of the shift. Employees who provide advance, verifiable notice of scheduled medical or child care commitments will be random drug tested no later than three hours before the end of their shift and random alcohol tested no later than 30 minutes before the end of their shift. Verifiable documentation of a previously scheduled medical or child care commitment, for the period immediately following an employee's shift, must be provided at least **two hours** before the end of the shift.

## **Testing Procedures**

All FTA drug and alcohol testing will be conducted in accordance with 49 CFR Part 40, as amended.

#### Dilute Urine Specimen

If there is a negative dilute test result, Amarillo City Transit will conduct one additional retest. The result of the second test will be the test of record.

Dilute negative results with a creatinine level greater than or equal to 2 mg/dL but less than or equal to 5 mg/dL require an immediate recollection under direct observation (see 49 CFR Part 40, section 40.67).

#### Split Specimen Test

In the event of a verified positive test result, or a verified adulterated or substituted result, the employee can request that the split specimen be tested at a second laboratory. Amarillo City Transit guarantees that the split specimen test will be conducted in a timely fashion.

#### Test Refusals

As a covered employee, you have refused to test if you:

- (1) Fail to appear for any test (except a pre-employment test) within a reasonable time, as determined by Amarillo City Transit.
- (2) Fail to remain at the testing site until the testing process is complete. An employee who leaves the testing site before the testing process commences for a pre-employment test has not refused to test.
- (3) Fail to attempt to provide a breath or urine specimen. An employee who does not provide a urine or breath specimen because he or she has left the testing site before the testing process commenced for a pre-employment test has <u>not</u> refused to test.
- (4) In the case of a directly-observed or monitored urine drug collection, fail to permit monitoring or observation of your provision of a specimen.
- (5) Fail to provide a sufficient quantity of urine or breath without a valid medical explanation.
- (6) Fail or decline to take a second test as directed by the collector or Amarillo City Transit for drug testing.
- (7) Fail to undergo a medical evaluation as required by the MRO or Amarillo City Transit's Designated Employer Representative (DER).
- (8) Fail to cooperate with any part of the testing process.
- (9) Fail to follow an observer's instructions to raise and lower clothing and turn around during a directly-observed test.

- (10) Possess or wear a prosthetic or other device used to tamper with the collection process.
- (11) Admit to the adulteration or substitution of a specimen to the collector or MRO.
- (12) Refuse to sign the certification at Step 2 of the Alcohol Testing Form (ATF).
- (13) Fail to remain readily available following an accident.

As a covered employee, if the MRO reports that you have a verified adulterated or substituted test result, you have refused to take a drug test.

As a covered employee, if you refuse to take a drug and/or alcohol test, you incur the same consequences as testing positive and will be immediately removed from performing safety-sensitive functions, and referred to a SAP.

### Voluntary Self-Referral

Per section 801.7 of the City of Amarillo Substance Abuse Policy, so long as current disciplinary action has not been initiated or pending, any employee with an acceptable prior work and disciplinary history, may identify themselves as an abuser of drugs and/or alcohol, voluntarily, may be allowed to enter through a recognized treatment program approved by the City. In these instances, the employee will be permitted the use of available leave. Any employee who has a drug and/or alcohol abuse problem and has not been selected for reasonable suspicion, random or post-accident testing or has not refused a drug or alcohol test may voluntarily refer her or himself to the Director of Human Resources and the Transit Director, who will refer the individual to a substance abuse counselor for evaluation and treatment.

The substance abuse counselor will evaluate the employee and make a specific recommendation regarding the appropriate treatment. Employees are encouraged to voluntarily seek professional substance abuse assistance before any substance use or dependence affects job performance.

Any safety-sensitive employee who admits to a drug and/or alcohol problem will immediately be removed from his/her safety-sensitive function and will not be allowed to perform such function until successful completion of a prescribed rehabilitation program.

### Prescription Drug Use

The appropriate use of legally prescribed drugs and non-prescription medications is not prohibited.
