

Public Participation Plan

for the

Amarillo Metropolitan Planning Organization

in cooperation with
Federal Highway Administration
Federal Transit Administration
Texas Department of Transportation
Panhandle Regional Transportation Advisory Group
Potter County
Randall County
City of Amarillo
Amarillo City Transit

A guidebook to actively encourage stakeholder input into the transportation planning process for Amarillo.

Approved by the Policy Advisory Committee:

January 25, 2007

A public comment period of 45 days was required before this document, the Public Participation Plan (PPP), could be adopted. The draft PPP public comment period was in effect from October 16, 2006 through November 30, 2006. At the October 19, 2006 Policy Committee meeting, MPO staff introduced the *draft* PPP for Committee review and public comment. Submittal of comments regarding these procedures could be made in writing, in person, by phone, fax, or email. MPO staff received no requests for copies of the draft PPP. No comments were received from the public or other interested parties.

The final version of the PPP was approved and adopted by the MPO Policy Advisory Committee at a regularly scheduled meeting on January 25, 2007.

Public Participation Plan (PPP)

Introduction

The Amarillo Metropolitan Planning Organization (MPO) is the regional transportation-planning agency for the urbanized area of Amarillo, Texas and parts of Potter and Randall Counties. Federal regulations require the designation of an MPO to carry out a coordinated, continuing, and comprehensive transportation planning process.

The Intent of the PPP

This policy is intended to ensure that public participation is an integral and effective part of the MPO activities and that decisions are made with the benefit and consideration of important public perspectives. This policy provides a mechanism for bringing a broad range of diverse viewpoints and values into the MPO decision-making process. Early public involvement enables the MPO to make more informed decisions, improve quality through collaborative efforts, build mutual understanding, and trust between the MPO and the public it serves. The PPP outlines various tools and time limits for public involvement in the development various planning documents, such as the:

- **Metropolitan Transportation Plan (MTP):** A long-range transportation-planning document, which is updated every five years;
- **Transportation Improvement Program (TIP):** A short-range transportation-planning document, which is updated every two years;
- **Unified Planning Work Program (UPWP):** An outline of the activities that will be conducted by or overseen by the MPO staff over the course of one year.

Organization of the MPO

Representatives from the Texas Department of Transportation, Potter County, Randall County, City of Amarillo, Amarillo City Transit, and the public are represented on various committees that are a part of the MPO.

- **Policy Advisory Committee (PAC):** This is the governing body for the MPO and provides a forum for cooperative decision-making and policy guidance.
- **Technical Committee (TC):** This group is composed of technical staff of key transportation planning agencies in the area. Meetings are held to discuss transportation-related issues and to provide technical analysis of planning activities for the Policy Committee.
- **Citizens Advisory Committee:** The MPO staff will utilize the City of Amarillo Traffic Commission and Planning & Zoning Commission as public advisory committees in the development of major issues affecting transportation planning in the urban area.

MPO Staff

The MPO staff is responsible for performing the administrative and technical services necessary to operate the MPO.

Supporting Legislation

The following key pieces of legislation address specific requirements for conducting transportation planning in an open process that supports early and continued involvement, provides complete information, timely public notice and full public access to key decisions. See Appendix A for more information on the requirements sets forth in Title 23, CFR 450.316 (b) (1).

- Safe, Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users (SAFETEA-LU)
- The Transportation Equity Act of the 21st Century (TEA-21)
- The Intermodal Surface Transportation Efficiency Act of 1991 (ISTEA)
- Texas Open Meetings Act
- Title VI of the Civil Rights Act of 1964 and Environmental Justice (EJ)
- National Environmental Policy Act of 1969 (NEPA)
- The American with Disabilities Act of 1990 (ADA)

Outreach Tools

In order to fulfill the objectives set forth in the federal mandates, the MPO uses a range of strategies designed to enhance and support public outreach and education in the transportation planning process. Depending on the nature of the project, these may include:

(1) Committee Meetings

The MPO Policy Committee meeting is generally held quarterly on the third Thursday of January, April, July, and October unless otherwise indicated. Agendas are mailed out, approximately one week in advance of the scheduled meeting date, to all individuals that have requested to be on the mailing list. A notice of meetings, which includes the date, time, and subject matter of the meetings, will be posted at the Potter and Randall County Courthouses, TxDOT Amarillo District Offices, Amarillo City Hall, and City of Amarillo Public Library Buildings a minimum of seventy-two (72) hours in advance. Information about the meetings will be made available in The Amarillo Globe-News newspaper the Sunday preceding the meeting. The meetings are also posted on the MPO website. Persons with disabilities needing auxiliary aids or services are requested to contact the MPO office 48 hours in advance of meeting to make appropriate arrangements for their attendance of a meeting.

(2) Workshops and Forums

The MPO staff and other stakeholders participate in transportation planning workshops and forums to obtain or exchange information. Forums may be held in locations that are dispersed throughout the MPO area and are accessible to the broadest sector of citizens. Notices of such meetings may be distributed through mailings, media, and electronic outlets.

(3) Transportation Focus Groups

Transportation focus groups may be scheduled to discuss special transportation needs of communities such as environmental justice, regional mobility authorities, or other special projects.

(4) Mailing list

A diverse mailing list of organizations, public agencies, elected and appointed officials, transportation providers, neighborhood interest groups, radio stations, television stations, newspapers, special interest groups, civic organizations, advocacy groups, and individuals interested in transportation issues, and others have been developed. Efforts to expand relationships with non-traditional stakeholders will continue, as well as increasing communication with under-served communities such as people with disabilities, low-income, and racial and ethnic minorities. See Appendix B.

The mailing list is periodically updated to keep the list current. All organizations and individuals will remain in the database until either they request to be removed, or the U.S. Postal Service returns a notification to the MPO office as undeliverable.

(5) Educational Materials

The pamphlets and brochures published by the MPO provide information on the MPO composition, transportation planning process, and major documents and data produced by the MPO. On request the material is mailed or distributed during the MPO meetings, workshops, and forums.

(6) MPO Website

The MPO commits to providing a dynamic web site with current, related MPO information, including agendas, primary planning documents, links to outside agencies, and other appropriate transportation-related information. Use of the World Wide Web will aid the MPO in attracting citizens and transportation stakeholders to the transportation planning process by making information readily available. The visual, electronic display of program documents and maps will permit a greater civic understanding of transportation planning projects. In addition, MPO contact information and transportation planning links available on the website will let citizens find all information on transportation related subject matter. The website will give citizens a greater opportunity to comment on projects, ask questions, and receive a fast response from the MPO. Visit us at www.amarillompo.org.

(7) MPO Speakers

The MPO provides speakers to civic organizations, clubs, schools, neighborhood associations, and other organizations who like to know the transportation planning activities of the MPO. The speakers provide information on the purpose, process, and products of the MPO and seek continued participation and comments from the public.

(8) Static Display

Static displays, used at meetings, will be updated periodically for special purposes, to depict transportation information, statistics, and/or maps. This, and other visualization tools, will be used to convey information to the public.

(9) Targeting Activities for Traditionally Under-Served Populations

Contacts with traditionally under-served communities are very important. The MPO contacts minorities, disabled, and other traditionally under-served communities to exchange information regarding transportation planning. All public hearings and open houses are held at accessible locations. Upon request, the MPO will make every effort to provide auxiliary aids and services, such as interpreters for the deaf and hearing impaired, to those who qualify as a disabled individual under the Americans with Disabilities Act. The MPO office must receive notification by mail or telephone for such services at least 48 hours prior to the meeting. You may make a request for assistance by calling the MPO office in Amarillo, Texas at (806) 378-4219 or by calling the City of Amarillo TTD number at 378-4229. Additionally, Spanish translators may be requested, for meetings, with prior notification of 48 hours.

(10) Advisory Groups

The MPO will stay involved and participate in other groups involved with transportation-related issues, both in the community, as well as at the state and national levels.

(11) Press Releases

The MPO will work closely with the local media as a tool to inform the public of significant transportation activities and issues. As warranted, the MPO will write press releases, conduct interviews, and submit articles to the news media.

(12) Response to Interested Parties

If an interested party requests additional information or voices concerns about a project, then further coordination with that party will continue either through written correspondence, telephone conversations, and/or informal or formal meetings.

Opportunities For Public Participation

Recognizing that public awareness and involvement in the transportation planning process best assures that citizens are satisfied with the regional transportation system, the MPO is committed to bringing projects into the public forum. The MPO will employ measures such as those shown below, but not limited to, to enhance its efforts for presentation of information to citizens and the transportation stakeholders:

- public meetings scheduled at varying times
- public meetings scheduled in varying locations throughout the study area
- use of electronic media or video to aid comprehension of plans and projects
- update the MPO website for project information and MPO contacts
- utilize maps to show the relation of projects to various population segments

The MPO is mandated by federal legislation to produce a Metropolitan Transportation Plan (MTP), a Transportation Improvement Program (TIP), a Unified Planning Work Program (UPWP), and a Public Participation Plan (PPP). Table 1 describes the various minimum required timelines associated with public participation periods for these documents. The days required for a particular activity are consecutive calendar days.

Program Administration Guidelines

The MTP, TIP, UPWP, and PPP may be modified at any time consistent with the procedures agreed to by the cooperating parties for developing these programs and the federal requirements in 23 CFR Part 450 concerning their development and public involvement requirements. All modifications to the MTP and TIP must maintain the fiscal constraint requirements for these documents. All modifications to the TIP must be consistent with the MTP. Modifications to any of these documents must be consistent with Federal Title 6 requirements and consider the affect on congestion, safety, air quality, quality of life, and opportunities for economic development.

Major Revisions to the MTP, TIP, UPWP, & PPP

Major Revisions require a formal process including approval by some or all of the following entities: PAC, TxDOT, FHWA, and FTA.

The following changes are examples of changes made through a Major MTP Revision:

- Adding or deleting a project;
- Changes in an estimated federal cost that is greater than 50% and results in a revised total cost exceeding \$1,499,999;
- Changes in the type of work, length, or termini of a project from its original MTP description;
- Changes from non-federal to federal funds.

The following changes are examples of changes made through a Major TIP Revision:

- Adding or deleting a project;
- Changes in an estimated federal cost that is greater than 50% and results in a revised total cost exceeding \$1,499,999;
- Changes in the type of work, length, or termini of a project from its original TIP description;
- Changes from non-federal to federal funds.

The following changes are examples of changes made through a Major UPWP Revision:

- Adding or deleting a task;
- Changes in the amount of funds programmed within a fiscal year;

Any changes other than typographical errors or updating references to regulatory requirements in the Public Participation Plan are considered to be a Major Revision.

Minor Revisions to the MTP, TIP, UPWP, & PPP

The approval of Minor Revisions has been delegated to the MPO Study Director, the TxDOT District Engineer and/or the TxDOT Director of Planning and Development through their written approval upon formal adoption of the Public Participation Plan.

Minor Revisions to the MTP, TIP, UPWP, and PPP may be made as long as the change does not adversely affect its timely implementation, financial constraint, or the public's opportunity to participate in the transportation planning process. These changes may include:

- Minor data entry or typographical errors;
- Changes in Federal, State, or Local funding sources or the project sponsor (not including those MTP or TIP actions that involve changes from non-Federal to Federal funds);
- Moving a project and its funding from one fiscal year to another within the stated period of the program;
- Any non-regionally significant highway or transit project-related change to projects funded from a "grouped" category.

MTP Revision Request Procedure

Any MPO member agency may request the consideration of a revision to the MTP on its own behalf or on the behalf of a non-member agency or private group, business, or individual. Private parties must work through the MPO member agency that represents them to request a revision to the MTP. **ALL** such requests shall be submitted to the MPO Study Director in writing. The MPO Study Director may initiate a revision to the MTP in order ensure that it remains in conformance with all applicable federal, state, and regional policy requirements.

TIP Revision Request Procedure

To request a TIP revision, the project sponsor must submit the proposal to the MPO Study Director for review. MPO staff will review the submitted request for compliance with Federal regulations, statute, and regional policy, including funding completeness, impacts to air quality, congestion mitigation, safety, quality of life, and opportunities for economic development, financial constraint, and for compliance with other Federal, state, and regional requirements before approving the submitted request. If the proposal is found not to conform to the MPO adopted guidelines as shown herein or is inconsistent with the financial constraint of the TIP, the proposal may not be approved. Proposed revisions to projects contained in the TIP must also conform to the revision rules of the funding program involved. The MPO Study Director may initiate a revision to the TIP in order ensure that it remains in conformance with all applicable Federal, state and regional policy requirements.

Review Of Draft Materials

Copies of the *draft* Plan Updates for the MTP and TIP documents are placed at both City libraries and city offices. The public is given ample time from when the notice is posted to review documents and call, mail, fax, or e-mail their comments. After the public comment period ends the draft documents along with the summary of comments are presented to the Policy Advisory Committee for the final adoption process.

- The MPO is mandated by federal legislation to produce various primary-planning documents, such as the long-range plan, short-range plan, staff work plan, and public participation Plan. Table 1 describes the various timelines associated with public comment periods for all the planning documents of the MPO.

Table 1. Public Participation Plan Minimum Timelines

PROGRAM UPDATES		PUBLIC MEETINGS	COMMENT PERIOD *	ADDITIONAL NOTES
MTP:	25-year document, updated every 5 yrs	2 meetings	30 days	A summary of all comments will be provided to the PAC and made available for public review.
TIP:	4-year document, updated every 2 yrs	2 meeting	30 days	
UPWP:	1-year document	1 meeting	30 days	
PPP:	As needed	1 meeting	45 days **	
PROGRAM MAJOR REVISIONS		PUBLIC MEETINGS	COMMENT PERIOD	ADDITIONAL NOTES
MTP:	As needed or by request	1 optional meeting	10 days	See Program Administration Guidelines section of this document
TIP:	Quarterly, if needed	1 optional meeting	10 days	
UPWP:	As needed	1 optional meeting	10 days	
PPP:	As needed	1 meeting	45 days **	
PROGRAM MINOR REVISIONS		PUBLIC MEETINGS	COMMENT PERIOD	ADDITIONAL NOTES
All:	As needed or by request	See Program Administration Guidelines section of this document		
OPEN MEETINGS				
Policy Advisory Committee		As scheduled	At each meeting	See Open Meetings & Records section of this document
OTHER PUBLIC INFORMATION		ADDITIONAL NOTES		
Posted Notices ***		Notices are posted 72 hours prior to public meetings and comment periods		
Legal Notices		Legal notices are run at least 72 hours prior to public meetings for MTP, TIP, UPWP, and PPP updates.		
Technical Assistance		Available upon request		
Presentations		Available upon request		
Publications		Available on MPO web page and at MPO office		

* If the MPO Study Director determines that a significant change to the Final Draft of the MTP, TIP, UPWP, or PPP is necessary as a result of comments received from the public, the Final Draft will be made available for one (1) additional seven (7) day public comment period to address the specific significant change(s). However, the MPO Study Director may, at his discretion, request final approval by the PAC prior to the additional comment period pending any additional changes to the document.

** Federal regulations call for a minimum 45-day public review period for a PPP update.

*** Posted Notice is defined as from the date the notice is posted at the Potter and Randall County Courthouses and the City Hall of Amarillo.

Texas Open Meetings And Records Procedures

- The MPO adheres to the requirements for open meetings and notices of meetings.
- All meetings where public business is conducted, which have a quorum, are open to the public. Notice of meeting is given no less than 72 hours beforehand through posting the agenda at county courthouses, TxDOT district office, city hall, and library branches.
- All open meetings will be sound recorded. A summary of proceedings (Minutes), including a roster of those who attended, will be made available at the MPO office usually within 30 days of the meeting. Minutes are made available to the public upon request in accordance with the Texas Public Information Law. The summaries of proceedings and recordings will be maintained for a minimum of three (3) years.
- Meetings may go into executive session following the rules of the Texas Open Meetings Law.
- All MPO meetings are held in barrier-free sites. Accommodation will be made for those with special needs if requested at least 48 hours in advance of the meeting.
- The MPO adheres to the requirements of the Texas Public Information Act. Records, as defined by the law, are made accessible to the public.

Appendix A

Federal Regulations

Specifically, Title 23, CFR 450.316 (b) (1), of the Metropolitan Planning Process, requires eleven elements be addressed. Each requirement and the method in which it is met, is listed below.

1. **Development of a public involvement process.**
A period of at least 45 days, from date of posted notice, for public comments will be provided prior to its adoption. Comments may be made in writing, in person, by phone, fax, or email. All comments are addressed and taken back through the Technical Committee for oversight, then put before the Policy Advisory Committee to request final approval.
2. **Provide timely information on transportation issues.**
Information is disseminated through a variety of measures, including a newsletter, information bulletins, email, press releases, forums, website, public meetings, mailings, and a static board.
3. **Provide reasonable public access to technical and policy information used in the development of plans.**
The MPO provides this access through public, open, and accessible committee meetings and public review periods.
4. **Facilitate public involvement in developing the TIP and MTP.**
The various outreach tools will be employed in encouraging input into the development of these planning documents.
5. **Public comments to be considered as an integral part of the planning process.**
The public has an opportunity to comment on all plans released by the MPO. Comments may be made in writing, in person, by phone, fax, or email. All the comments are reviewed and documents are amended, if necessary.
6. **Seek out and consider needs of historically under-served.**
A comprehensive public notification list is maintained and includes groups that outreach to these under-served populations. Spanish translators are made available, if requested. Additionally, special arrangements can be requested for the physically disabled, hearing or visually impaired.
7. **For areas of non-attainment, significant public comments will be part of the final TIP & MTP.**
Even though the MPO is in attainment, public comments received on the TIP and MTP are addressed and included in the documentation.
8. **Revisions to the TIP and MTP based on public comments will be made available to the public.**
These types of revisions will be subject to the same, open meeting requirements.
9. **Periodic Reviews of the PPP.**
The Policy Advisory Committee and Technical Committee review the PPP as needed.
10. **FHWA & FTA review of the PPP.**
The PPP will be forwarded to the Federal Highway Administration and the Federal Transit Administration, in accordance with these federal mandates.
11. **Coordination with statewide public involvement processes.**
The MPO coordinates its activities with the Texas Department of Transportation.

Appendix B

Mailing List

The MPO staff maintains and regularly updates the mailing list used for meeting notifications, newsletters and various other mailings. This list includes a wide variety of stakeholders, such as the following:

- MPO Policy Committee
- MPO Technical Advisory Committee
- Potter County
- Randall County
- City of Amarillo
- Amarillo City Transit
- Panhandle Transit
- Panhandle Community Services
- Public Libraries
- Citizens
- Chamber of Commerce
- Center City of Amarillo
- Legislators
- Freight Transporters
- Panhandle Regional Planning Commission
- Area Newspapers & Publications
- Radio Stations
- Television Stations
- Amarillo ISD
- River Road ISD
- Neighborhood Interest Groups
- Historical Preservation Groups
- Business & Civic Groups
- Bicycle Interest Groups
- Indian Tribal Groups
- Social Service Organizations
- Consultants
- Other Agencies
- Other MPOs

This mailing list is periodically updated to keep the list current. All organizations and individuals will remain in the database until either they request to be removed, or the U.S. Postal Service returns a notification to the MPO office as undeliverable.
