

BOAT

BUILDING OFFICIALS ASSOCIATION OF TEXAS

Career Development Day
August 8, 2018

2018 Building Officials Association of Texas Annual Conference – Amarillo, Texas

Program Description

BOAT is proud to partner with the City of Amarillo to host our second Annual Career Development Day.

We will feature a full day of educational opportunities including:

- Attendance of our conference
- Audit classes for construction related topics
- Meet building officials and inspectors from various Texas cities
- Experience hands on training at the City of Amarillo Building Inspections Department
- Learn about plan review and inspections
- Interact and network with professionals in the construction industry

Who should attend?

- Individuals interested in careers as building inspector, code official, plans examiner, or permit tech
- College students
- Young A/E professionals

Registration

Register online at www.boatx.org or fill out this registration form and return by email.
