Your mission: Color in a star on this reading log on every day you read for at least 15 minutes. Take your log back to your local library to earn a star bead for every day you read. Earn at least 30 star beads before AMARILLO READS in the Summer ends July 15 to win a brand new book of your choosing! Readers age four and younger can win a new book by completing one of the Early Literacy Challenges listed on the back of this mission log every week. Just write in the challenge number on one of the large stars above and color it in. Teens & adults can sign up too. Adults, your final prize is a voucher for a free bag of books at the Friends of the Library Book Sale. Teens, you can choose between the voucher or a new book!

Prizes may be collected through July 31.
