1	I think that the city should also keep their emergency vehicles off of 6th Street. There is nowhere for cars to pull over for emergency vehicles, and the Amarillo Boulevard/3rd/Line are so close that it would be easy to move to a different route. I think dropping the speed limit on 6th street (since we have a very high concentration of pedestrian and bike traffic) would be a good idea too.	11/15/2019 12:28 PM
2	More law enforcement presence and better enforcement of noise ordinance	10/30/2019 1:31 PM
3	Change zoning category	10/24/2019 5:00 PM
4	Clean up the mess. The city already has tools to eliminate junk, illegal structures, illegal land use, weeds (over 8") and general eyesores. USE THESE TOOLS FIRST!!!	8/1/2019 8:07 AM

5	City ordinances regarding junk & trash SHOULD BE BETTER ENFORCED!!! There should be penalty/reward programs to encourage compliance...and neighborhood is only as good as it's worst tenant/property owner. "Slum lords" should not be allowed to only collect rent and DO NOTHING to maintain their property. City, county & state should have programs (like the WPA during Great Depression) to utilize dayworkers, homeless and unemployed persons to cleanup areas. This is a VERY BAD situation that should have been corrected a hundred years ago...property owners in a city should not be allowed to neglect their properties. There are THOUSANDS of dying/dead trees (many quite large) all over the city that will eventually rot and fall...possibly on permanent structures and could cause injury and/or loss of life. If someone cannot maintain their property, then they should be forced to sell and the new owner be held responsible to bring it back to expected conditions or demolish. Letting people in a city environment do any and everything they decide to do HAS TO STOP! Quit focusing city funds & resources to BENEFIT THE ALREADY RICH at the expense of the rest of the taxpayers or it WILL COME BACK TO BITE YOU!!!	7/18/2019 10:46 PM
6	Rules and ordinances that parallel those of downtown	6/20/2019 10:35 PM
7	Parking space is one of the issues forcing us to relocate. Secondly is theft (we plant flowers and they are stolen) and security. We are across from the drug and alcohol rehabilitation clinic and they do not allow smoking, so every night there are so many cars in front of our building we cannot access, and they smoke on our property and trash it out.	6/16/2019 1:12 PM
8	Mental health resources & programs for the community	6/13/2019 1:32 PM
9	Representation on city council	6/10/2019 1:43 PM
10	Increases policing to deter criminal activity, especially after 5:00PM. People troll this neighborhood just to see what they can steal.	6/10/2019 12:10 PM
11	Removal of abandoned buildings, enforced renovations of dilapidated business or structures (i.e., abandoned looking army barracks at 7th & McMasters should be removed and The Greater Love Church at 811 S. Tennessee should be put on historical record and then supported/renovated of its architecture and history in San Jacinto)	6/9/2019 7:01 PM
