

Disadvantage Business Enterprise Goal Consultation

In accordance with the federal the Disadvantaged Business Enterprise (DBE) program, Amarillo City Transit has calculated a DBE goal for October 1, 2020 through September 30, 2023.

Disadvantaged Business Enterprise (DBE) program is a federal program managed by the U. S. Department of Transportation (DOT) as set forth in 49 Code of Federal Regulation (CFR) Part 26 to encourage socially and/or economically disadvantaged firms to participate in DOT-funded projects. The goals of the program are to remedy past and current discrimination against DBEs, ensure a "level playing field" in which DBEs can compete fairly for DOT-assisted contracts, improve the flexibility and efficiency of the DBE program, and reduce undue burdens on small businesses.

Amarillo City Transit would like to gather feedback from DBEs and potential DBEs to ensure the goal is adjusted as accurately as possible. ACT will be hosting two zoom meetings to discuss the DBE goal and gather feedback:
