Dear Airport Patron:

A warm welcome to you from the staff and leadership of the Rick Husband Amarillo International Airport. As we are preparing to recover from the COVID-19 pandemic in 2021 and beyond, I want to thank all of you who took advantage of the flight opportunities available at the Rick Husband Amarillo International Airport over the past year. 2020 was a challenging year for everyone, and aviation was not exempt from those challenges. Thank you for your trust in the Airport to keep the terminal clean and your trust in the airlines to keep their aircraft clean and safe for you to travel. Your patronage is greatly appreciated.

As the pandemic caused us to delay and rework all of our plans and strategies to bring additional air service to Amarillo, and to keep all of the air service we could throughout 2020, we are continuing to work closely with our community partners including the Amarillo Chamber of Commerce, the Amarillo Convention and Tourism Bureau, Amarillo College, and the Amarillo Economic Development Corporation to bring new opportunities to Amarillo and the Airport. We are looking forward to helping the Amarillo community grow in 2021 and beyond.

In 2021, we hope to continue making positive improvements to the customer experience, but also to make needed airfield improvements. Our major project in 2021 is the replacement of two taxiways on the airfield. We thank the Federal Aviation Administration (FAA) for providing much of the funding for this needed project. Projects like this help to increase the safety and efficiency of the runway and taxiway system. Additionally, for the private and corporate flyer, watch for the opening of the newly constructed corporate executive terminal this year, thanks to our award-winning Fixed Base Operator, TAC Air. We are excited that they continue to invest in Amarillo.

I continue to be truly inspired by everyone I meet here in Amarillo. The general "vibe" is one of positive change, continual improvement, and hope for an incredible future. In 2021, we will continue to promote our vision of being the most respected airport of choice in the State of Texas. To that end, it is my sincere hope that the Rick Husband Amarillo International Airport is your first choice for air travel in 2021. If Amarillo is your travel destination, I hope you have the opportunity to explore all that Amarillo and the surrounding communities have to offer. If your travel destination is elsewhere, I hope you enjoy your travel experience and look forward to your return.

On behalf of the entire Airport staff and the City of Amarillo, I wish you safe travels throughout the year.

Sincerely,

*Michael W. Conner*

Director of Aviation
