

Eastridge Vision Map

A Car & Pedestrian Overpass on 24th Ave and the train tracks will provide safety for pedestrians crossing,

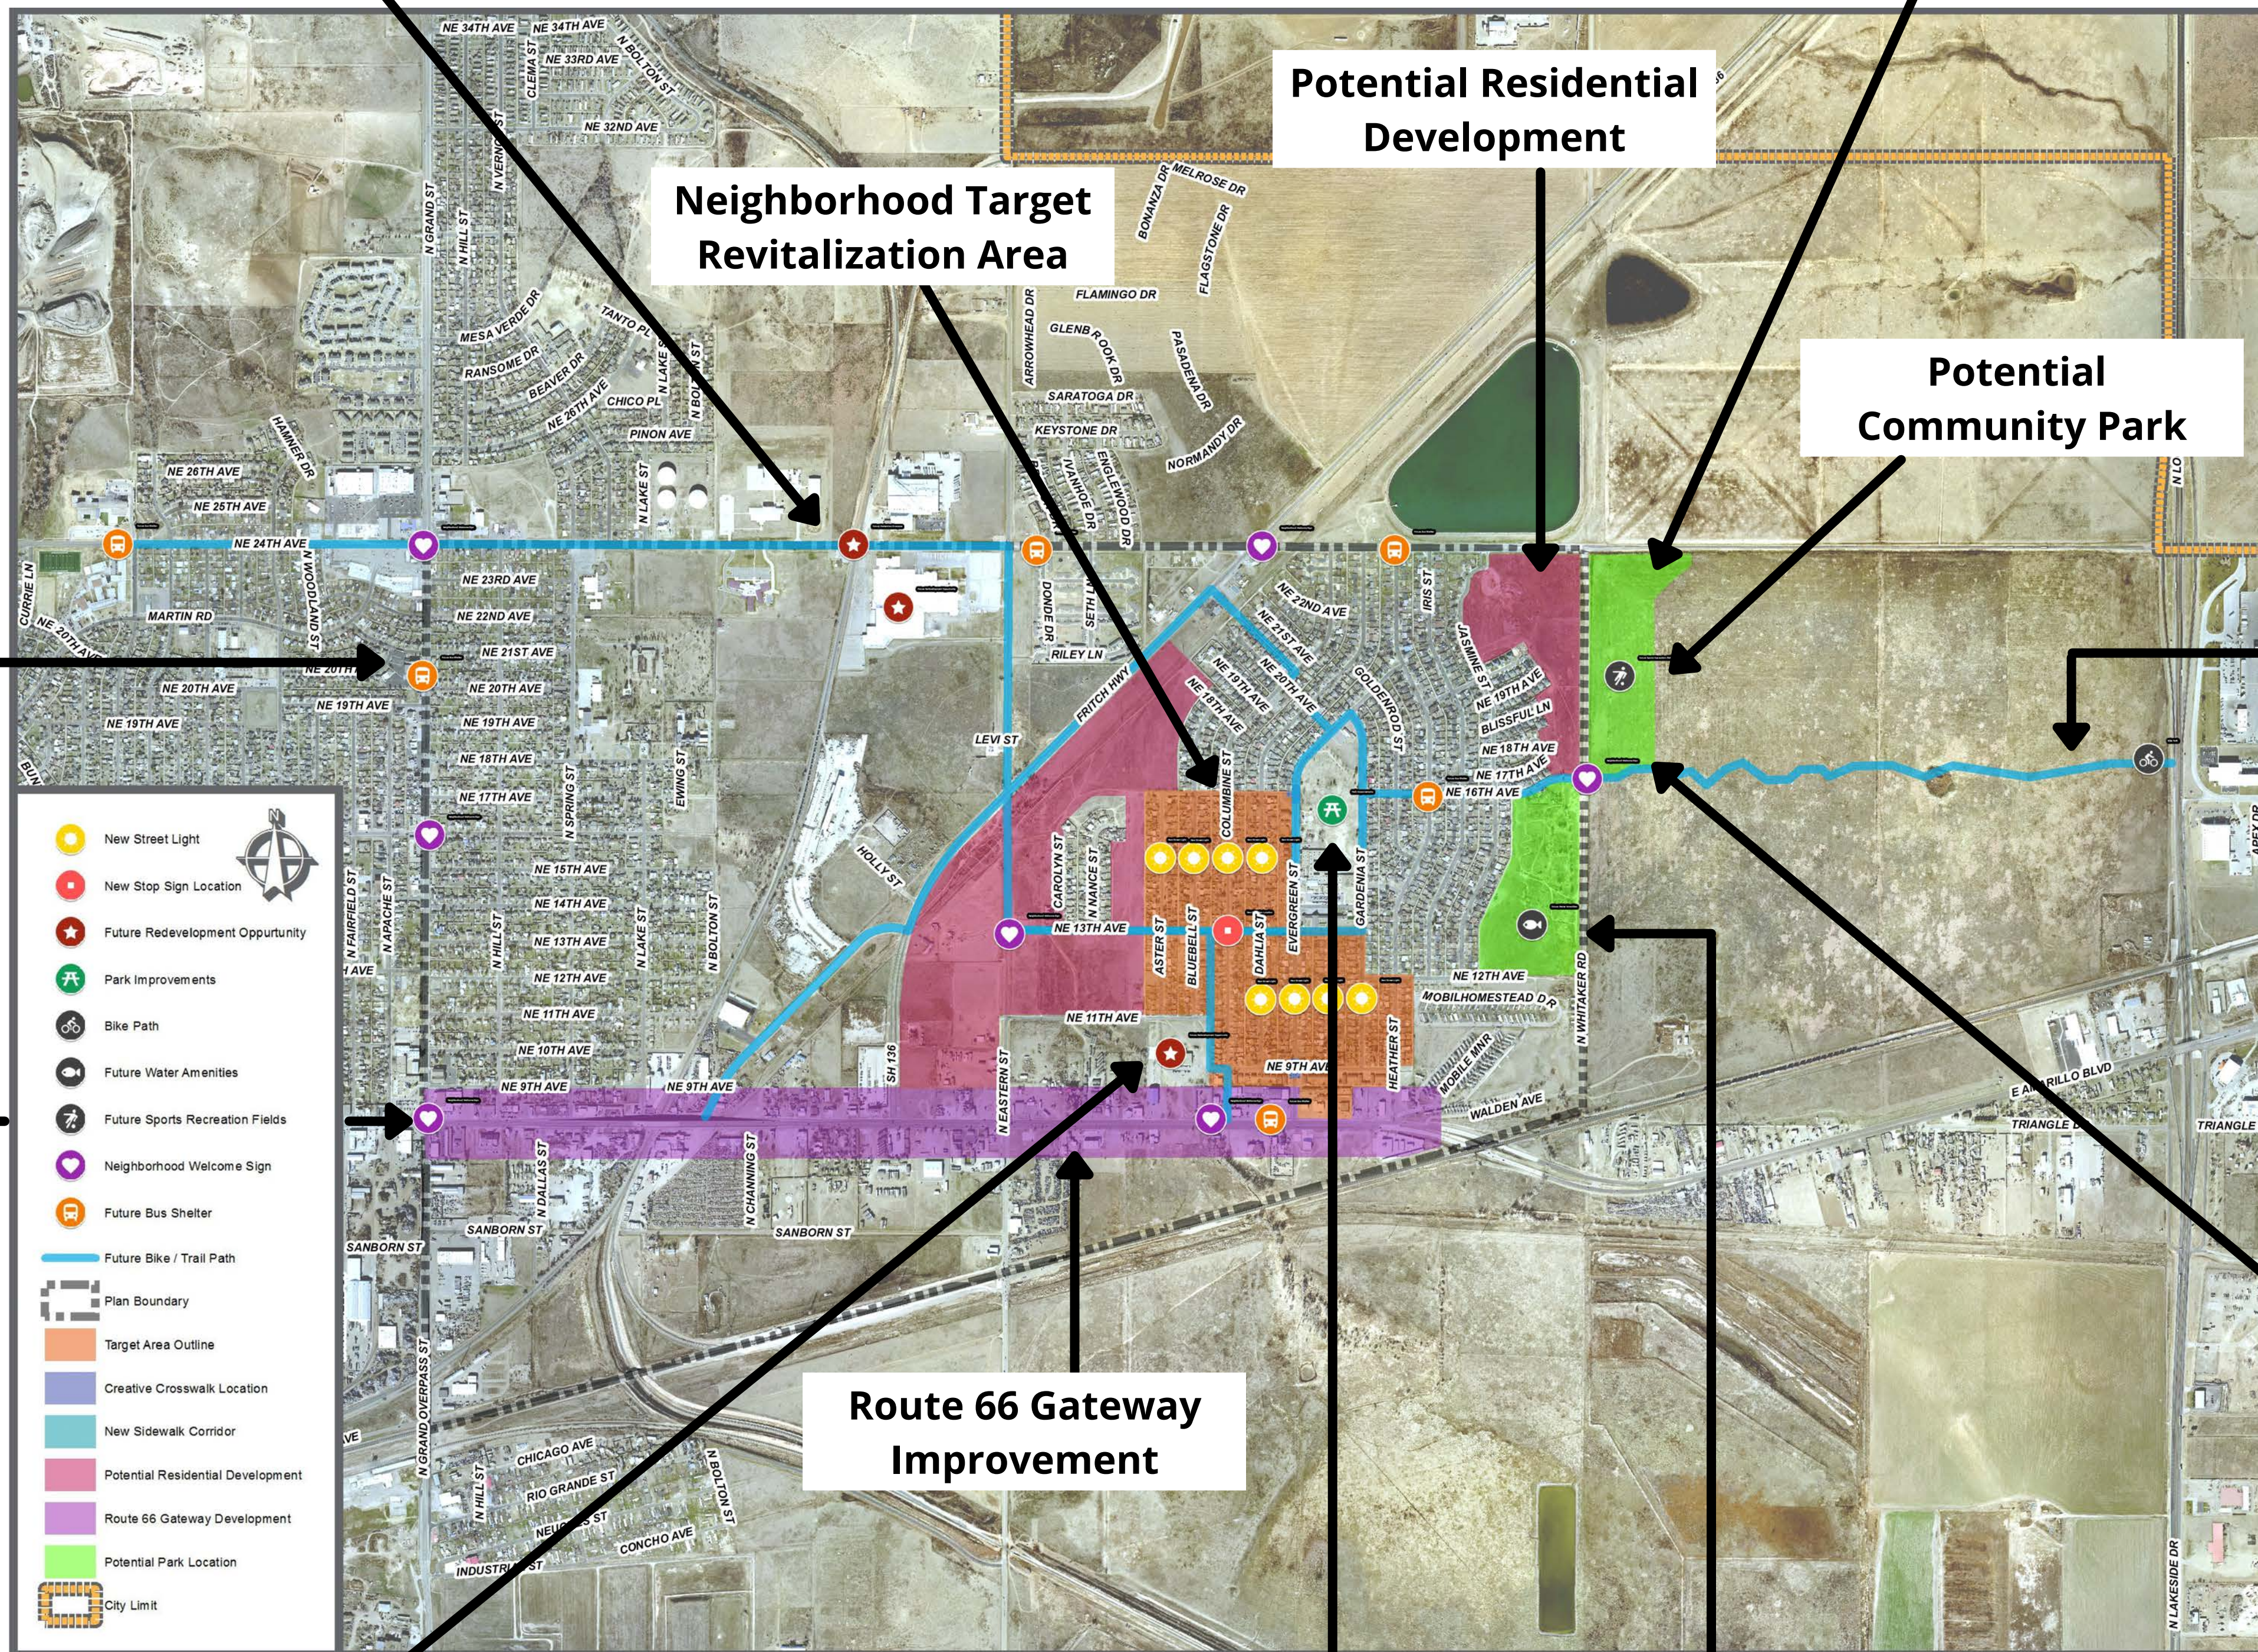

New Soccer Fields are an investment in positive youth recreation around the area.

Bus Shelters provide safety from natural elements while waiting for city transit to pick them up.

Neighborhood Welcome Signs provide a sense of pride for the neighborhood.

Biking & Walking Trails to create safe travel across the neighborhood. The trail will connect to the different churches, parks and schools.

Urban Agriculture brings new economic opportunities for people with farming skills.

A Community Center will bring Eastridge a safe, neutral space for learning, recreation and different cultural activities.

Park Amphitheater provides an outdoor space to celebrate cultural events or family gatherings.

Water Amenities at the park provide fishing and aquatic recreation.
