CONSIDERATION OF ORDINANCE NO. 8027

Second and final reading to consider an ordinance rezoning a 0.86 acre tract of unplatted land in Section 4, Block 9, B.S.&F. Survey, Randall County, Texas, plus one-half of all bounding streets, alleys, and public ways, to change from Residential District 3 to Moderate Density District.

VICINITY: Bell St. and Ventura Dr.

APPLICANT/S: Che Shadle on behalf of Nazcon Group LP

Agenda Item Summary

Adjacent land use and zoning

Adjacent zoning consists of Residential District 1 and General Retail District to the north, Light Commercial District to the south, Moderate Density District to the east, and Residential District 1 to the west.

Adjacent land uses consist of Single-family detached homes and vacant land to the north, vacant land to the south, single-family attached homes to the east, and vacant land to the west.

Proposal

The applicant is proposing a change in zoning to develop the tract with single-family attached homes (townhomes).

Analysis

Analysis of a zoning change begins with referring to the Comprehensive Plan’s Future Land Use and Character Map in addition to the Neighborhood Unit Concept of Development (NUC). Additionally, existing zoning and development patterns are also examined when considering a request.

The Future Land Use Map category identifies the applicant’s tract as being in the General Commercial Category. This category calls for a wide range of commercial retail and service uses, at varying scales, being the primary focus of development.

While the applicant’s request would not conform with this category, it is noted that the applicant’s tract is located at the southern periphery of a single-family neighborhood with single family detached homes north and single-family attached townhomes east. It is the Planning and Zoning Commission’s opinion that the applicant’s request and proposed development type would be a more logical development type to have on the periphery of a single-family neighborhood rather than commercial retail or service uses.

Regarding the NUC, this concept calls for more intensive land uses and zoning to be located at or near section line intersections with a transition in zoning occurring to lower intensity land uses away from those intersections.

The applicant’s tract is located at the periphery of a Light Commercial zoning district that contains a gas station at the intersection and an upcoming retail store site. Given the higher intensity of uses and zoning at the intersection to the south of the applicant’s tract, the tract is in a location in which the next logical zoning district would be moderate density residential or office type development.

It is the Planning and Zoning Commission’s opinion that the applicant’s request would provide the typical transitional zoning and would serve as a logical transition from the higher intensity uses to the south to the single-family detached homes to the north, similar to what has been established east of the applicant’s tract.

Considering the previously mentioned, the Planning and Zoning Commission believes that the request would represent a logical continuation of existing zoning and development patterns in the area and would not result in any detrimental impacts to the area.

Requested Action/Recommendation

Notices have been sent to all property owners within 200 feet as required by State Law. As of this writing, two comments on the request have been received.

The first expressed that they were not opposed to townhomes but had concerns about Moderate Density District allowing for apartments.

The second expressed opposition to the request. The primary concerns expressed were about an increase in traffic, impact on property values, and concerns that if the townhomes were rentals, they would not have good upkeep.

Considering the above, the Planning and Zoning Commission recommends **APPROVAL** of the request as presented with a unanimous vote (6-0).

 - b. Venue for resolution by a court of competent jurisdiction of any dispute arising under the terms of this Grant, or for enforcement of any of the provisions of this Grant, is specifically set by Grant of the parties in Travis County, Texas.

PUBLIC HEARING AND CONSIDERATION OF ORDINANCE NO. 8032:

This item is a public hearing and first reading to consider an ordinance on the 20-year extension of Tax Increment Reinvestment Zone Number One, City of Amarillo, Texas for tax increment financing purposes pursuant to Chapter 311 of the Texas Tax Code which was originally created in 2006 for a 30-year term.

Agenda Item Summary

TIRZ #1 was established in 2006 with the goal of revitalizing Downtown Amarillo by establishing a dedicated revenue stream for facilitating new private investment and the improvement of downtown infrastructure. Over the last few years, the City Council and TIRZ #1 have had regular discussions about the benefits of extending the timeframe of the zone. It is currently set to expire in 2036 but has many outstanding goals yet to be achieved. The following is a recent performance snapshot:

Progress Summary – July 2021

	<u>Current</u>	<u>Goal</u>	<u>% of Goal</u>
Hotel - Rooms	448	1200	37%
Hotel - Investment	65.9MM	67MM	98%
Urban Residential - Units	283	2100	13%
Urban Residential - Investment	16MM	249MM	6%
Office/Commercial/Retail - SF	308,563	1,625,000	19%

Retail Only - SF	80,000	283,077	28%
Office/Commercial Only - SF	228,563	1,325,000	17%

Sec. 311.007 of the Tax Code has procedures in place allowing for expanding the boundaries or term of an existing Zone. This is done by ordinance of the governing body that originally created the zone, after public hearing and notice is given. Other taxing entities are not required to participate but can do so by written agreement.

Based on past feedback received from City Council and TIRZ #1, staff is recommending the Zone be extended for twenty years to 2056, at a 50% participation rate of the City's tax increment.

Requested Action

Approval of the ordinance

Funding Summary

The City would be deferring \$14.6MM in tax revenues to only be invested in the zone.

Community Engagement Summary

Extension of TIRZ #1 has been discussed during multiple meetings of the TIRZ #1 Board (July 8, 2021; February 14, 2019; August 9, 2018) and the City Council most recently discussed on October 26, 2021. City staff has also had preliminary discussions with other taxing entities currently contributing to the Zone.

PUBLIC HEARING AND CONSIDERATION OF ORDINANCE NO. 8033:

This item is a public hearing and first reading to consider an ordinance on the creation of South Gateway Tax Increment Reinvestment Zone Number Three, City of Amarillo, Texas for tax increment financing purposes pursuant to Chapter 311 of the Texas Tax Code and its benefits to the City and the properties to be included in the Zone. The 1,046-acre Zone would be located in the area of Interstate Highway 27 and Loop 335.

Agenda Item Summary

This item holds a public hearing and considers an ordinance on first reading to establish a 1,046-acre TIRZ for the purposes of addressing infrastructure deficiencies that impede economic growth in the area and to afford opportunities to make public and private investments that will induce further economic growth in the area. The item establishes the TIRZ, creates the TIRZ fund, establishes the TIRZ Board and approves the Preliminary Project and Financing Plan.

The proposed Zone would be for a 20-year term, with 100% tax rate participation in years 1-10 and 50% tax rate participation in years 11-20. It is projected that both Amarillo College and Randall would consider participating in the zone. Based on all three taxing entities participating, the Zone could produce up to \$15MM in revenue to be invested within the boundary based on an estimated \$123MM in new taxable value. The priority would be for the funds to be spent on reimbursements to the City or developers responsible for installing public infrastructure to serve the Zone.

Requested Action

Approval of the ordinance

Funding Summary

The City would be deferring almost \$5.7MM in tax revenues to only be invested in the zone.

Community Engagement Summary

Property owner discussions were held on the needs and benefits of a potential TIRZ in this area.

ORDINANCE NO. 8032

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF AMARILLO, TEXAS: DESIGNATING A CERTAIN CONTIGUOUS GEOGRAPHIC AREA IN THE CITY OF AMARILLO, TEXAS A “SOUTH GATEWAY TAX INCREMENT REINVESTMENT ZONE NUMBER THREE, CITY OF AMARILLO, TEXAS”; CREATING A BOARD OF DIRECTORS FOR THE ZONE; PROVIDING EFFECTIVE AND TERMINATION DATES FOR THE ZONE; ESTABLISHING A TAX INCREMENT FUND FOR THE ZONE; AND CONTAINING OTHER MATTERS RELATED TO THE ZONE; PROVIDING A SEVERANCE CLAUSE; PROVIDING EFFECTVE DATE.

WHEREAS, the Amarillo City Council (City Council) desires to promote the development or redevelopment of a certain contiguous geographic area in the City of Amarillo (City), which is more specifically described in Exhibit “A” and depicted by map in Exhibit “B”, this Ordinance (the “Zone”), through the creation of a new reinvestment zone as authorized by and in accordance with the Tax Increment Financing Act, codified at Chapter 311 of the Texas Tax Code; and

WHEREAS, notice of the public hearing was published in a newspaper of general circulation in the City on October 30, 2022, which satisfies the requirement of Section 311.003(c) of the Texas Tax Code and that publication of the notice occurred not later than the seventh day before the date of the public hearing;

WHEREAS, the City has prepared a preliminary reinvestment zone financing plan and project plan for the Zone, as required by Section 311.003(b) of the Texas Tax Code; and

WHEREAS, on November 8, 2022 a public hearing was conducted by the City Council on the creation of the Zone and its benefits to the city and to property in the Zone, and afforded a reasonable opportunity for (i) all interested persons, or their attorneys, to speak for or against the creation of the Zone, its boundaries or the concept of tax increment financing and the creation of a board of directors for the zone and (ii) owners of real property in the Zone to protest inclusion of their property in the Zone, as required by Sections 311.003(c) and (d) of the Texas Tax Code;

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF AMARILLO, TEXAS:

Section 1. Findings

That after reviewing all information before it regarding the establishment of the Zone and after conducting a public hearing regarding the creation of the Zone and its benefits to the City and to property in the Zone and affording a reasonable opportunity for (i) all interested persons to speak for or against the creation of the Zone, its boundaries or the concept of tax increment financing and (ii) owners of real property in the Zone to protest inclusion of their property in the Zone, the City Council hereby makes the following findings of fact:

1.1 The statements and facts set forth in the recitals of this Ordinance are true and correct.

Therefore, the City has met the notice and procedural requirements set forth in Chapter 311 of the Texas Tax Code for creation of a reinvestment zone thereunder.

- 1.2 Development or redevelopment of the property in the zone as a whole will not occur solely through private investment in the reasonable foreseeable future.
- 1.3 Improvements in the Zone, including, but not limited to those previously outlined to the City Council and the governing bodies of all other taxing units that levy real property taxes in the Zone, will significantly enhance the value of all the taxable real property in the Zone and will be of general benefit to the City, its residents and property owners.
- 1.4 The Zone is a contiguous geographic area wholly within the corporate limits of the City or the City's extraterritorial jurisdiction.
- 1.5 Portions of the land within the Zone are located within the City's Enterprise Zone, which was designated by the State of Texas pursuant to and in accordance with Chapter 2303 of the Texas Government Code. Therefore, as provided by Section 2303.507(1) of the Texas Government Code and Section 311.0031 of the Texas Tax Code, designation of these areas of the Zone by the State of Texas as an enterprise zone also constituted designation of these areas as a reinvestment zone under Chapter 311 of the Texas Tax Code without additional hearing and procedural requirements of the City Council.
- 1.6 Among other things, areas within the Zone include land that substantially impairs and arrests the sound growth of the City, retards the provision of housing accommodations and constitutes an economic liability, slum and a deterrent to the public health and safety because of; (ii) the predominance of inadequate sidewalk and street layouts; (iii) faulty lot layout in relation to size, adequacy, accessibility and usefulness; (iv) unsanitary and unsafe conditions; (v) the deterioration of site and other improvements; and (vi) conditions that endanger life and property by fire or other cause. The Zone is also predominantly open or undeveloped and, because of obsolete platting, deterioration of structures or site improvements, or other factors, substantially impair or arrest the sound growth of the City. Therefore, the area within the Zone meets the criteria for designation of a reinvestment zone and satisfies the requirement of Section 311.005 of the Texas Tax Code.
- 1.7 According to the most recent appraisal roll of the City, the total appraised value of all taxable real property in the Zone and in existing reinvestment zones in the City does not exceed twenty-five percent (25%) of the total appraised value of taxable real property in the City and in industrial districts created by the City, if any.

- 1.8 Thirty percent (30%) or less of the property in the Zone, excluding property dedicated to public use, is used for residential purposes (defined as any property occupied by a house having fewer than five living units).

Section 2. Designation Of Zone

That the City Council hereby designates the Zone as described by metes and bounds and depicted by map, both attached hereto as Exhibit "A" and "B" and made a part of this Ordinance for all purposes, as a reinvestment zone pursuant to and in accordance with Chapter 311 of the Texas Tax Code. This reinvestment zone shall be known as "South Gateway Tax Increment Reinvestment Zone Number Three, City of Amarillo, Texas."

Section 3. Board Of Directors

A board of directors for the Zone ("**Board**") is hereby created. The Board shall consist of ten (10) members who shall serve for terms of two (2) years each. The Board shall be appointed as follows:

- 3.1 Of these ten (10) members, Randall County shall appoint three and each taxing unit other than the City that levies taxes on real property in the Zone may, but is not required to, appoint one (1) member to the Board. Within 60 days of the passage of this Ordinance, each taxing unit other than the City may designate to the City either the name of the member that the taxing unit wishes to appoint or the fact that the taxing unit wishes to waive its right to appoint a member. The City Council shall appoint whatever number of members is necessary to fill the remaining positions on the Board. All members appointed to the Board shall meet the eligibility requirements as set forth in Section 311.009 of the Texas Tax Code. Such members may be members of the City Council.
- 3.2 The City Council shall annually designate a member of the Board to serve as chairperson of the Board, and the Board shall elect from its members a vice chairperson or other officers as it considers appropriate.
- 3.3 The Board shall make recommendations to the City Council concerning the administration, management and operation of the Zone. The Board shall prepare and adopt a project plan and a reinvestment zone financing plan for the Zone and submit such plans to the City for its approval. The Board shall perform all duties imposed upon it by Chapter 311 of the Texas Tax Code and all other applicable laws. Notwithstanding anything to the contrary herein, the Board shall not be authorized to (i)

issue bonds; (ii) impose taxes or fees; (iii) exercise the power of eminent domain, or (iv) give final approval to the Zone's project plan or financing plan.

Section 4. Effective Date Of Zone

That the Zone shall take effect upon the adoption of this Ordinance and terminate on the earlier of (i) December 31, 2042 or, (ii) at an earlier termination date designated by a subsequent ordinance adopted after the effective date of this Ordinance, or (iii) the date on which all project costs, tax increment bonds and interest on those bonds have been paid in full.

Section 5. Determination Of Tax Increment Base

The Tax Increment Base for the Zone is \$00.00 as of January 1, 2022, which is the total appraised value of all taxable real property located in the reinvestment zone in the year of the Zone's designation.

Section 6. Tax Increment Fund

A tax increment fund for the Zone ("**TIF Fund**") is hereby created and established. The TIF Fund may be divided into such accounts as may be authorized by subsequent resolution or ordinance of the City Council. The TIF Fund shall consist of (i) the percentage of the tax increment, as defined by Section 311.012(a) of the Texas Tax Code, that each taxing unit which levies real property taxes in the Zone, other than the City, has elected to dedicate to the TIF Fund under an agreement with the City authorized by Section 311.013(f) of the Tax Code, plus (ii) one hundred percent (100%) for the first ten years of the Zone and fifty percent (50%) for the last ten years of the Zone of the City's tax increment, as defined by Section 311.012(a) of the Texas Tax Code, subject to any binding agreement executed at any time by the City that pledges a portion of such tax increment or an amount of other legally available funds whose calculation is based on receipt of any portion of such tax increment. The TIF Fund shall be maintained in an account at a depository bank of the City and shall be secured in the manner prescribed by law for Texas cities. In addition, all revenues from (i) the sale of any obligations hereafter issued by the City and secured in whole or part from the tax increments; (ii) revenues from the sale of any property acquired as part of a tax increment financing plan adopted by the Board; and (iii) other revenues dedicated to and used in the Zone shall be deposited into the TIF Fund. TIF Funds will be used solely in accordance with Section 311.014 of the Texas Tax Code.

Section 7. Tax Increment Agreements

That, pursuant to Sections 311.008 and 311.013 of the Texas Tax Code, the City Manager and City Attorney are hereby authorized to execute and deliver, for and on behalf of the City, tax increment agreements with taxing units that levy real property taxes in the Zone.

Section 8. Severability

That if any portion, section or part of a section of this Ordinance is subsequently declared invalid, inoperative or void for any reason by a court of competent jurisdiction, the remaining portions, sections or parts of sections of this Ordinance shall be and remain in full force and effect and shall not in any way be impaired or affected by such decision, opinion, or judgment.

Section 9. Effective Date

That the establishment of the South Gateway Tax Increment Reinvestment Zone Number 3, Amarillo, Texas shall take effect on the date of the final passage of this Ordinance.

INTRODUCED AND PASSED by the City Council of the City of Amarillo, Texas, on First Reading on this 8th day of November, 2022, and PASSED on Second and Final Reading on this the 13th day of December 2022.

CONSIDERATION OF RESOLUTION NO. 11-08-22-2

Consider Resolution No. 11-08-22-2 Recognizing SJN Amarillo, or SJNA, as the Recognized Neighborhood Association for the San Jacinto Neighborhood.

Agenda Item Summary

City Council established the Recognized Neighborhood Association program in August 2022 to formally recognize the partnership between the City and the neighborhood associations for coordination on neighborhood plan projects and other initiatives related to the plan areas.

In order to become a Recognized Neighborhood Association (RNA), the ordinance requires that neighborhood groups meet certain eligibility criteria that ensures that they are running transparent, organized associations that are open to all residents, business owners, and property owners within their boundaries. They must demonstrate their eligibility through an application process and are then Recognized by a resolution adopted by City Council. The program also states ongoing responsibilities for both Planning staff and neighborhood associations including a project submittal process.

Neighborhood groups who represent their purpose as implementation of the adopted neighborhood plan are required to become Recognized. SJN Amarillo has met the eligibility criteria and the organization is recommended to become Amarillo’s first Recognized Neighborhood Association.

Requested Action

Approval of the resolution.

Funding Summary

Funding is provided through the Neighborhood Planning Initiative. SJN Amarillo has worked with the City to allocate its portion of the initial neighborhood plan implementation funds of \$654,000 and as an RNA, will continue to be eligible for future funding designated through the program.

Community Engagement Summary

The San Jacinto Neighborhood Plan included extensive public engagement efforts.
