

Neighborhood Association (Name)

Projects in Motion Annual Action Plan

The Projects in Motion Annual Action Plan is an annual overview of the high priority projects that the neighborhood association would like to see implemented in the calendar year. This action plan allows the neighborhood to decide which projects are the highest priority for the community and allocate funding for projects.

Year: 2023

Approved by Neighborhood Association Board of Directors on (date): re – approved on 01/14/2023
