# Benefits Overview

---

## When Coverage Begins: Pre-65 Retiree Medical and Dental Plans

To be eligible to receive these benefits you must be enrolled in the medical and/or dental plan on the day you retire and be 60 years of age or older with at least 10 years of service or received approved disability retirement approval through Texas Municipal Retirement System (TMRS) or Amarillo Fireman's Relief and Retirement Fund (AFRRF), or 20 years of service at any age.

- ✓ You must be enrolled in the City's medical and/or dental plan(s) at the time of retirement to be eligible for this benefit. Only dependents (legal spouse and eligible children) enrolled in the medical and/or dental plan(s) prior to retirement are eligible to enroll in these plans.
- ✓ Retiree medical premiums are based on your years of service with the City of Amarillo (i.e., you have 12 years and 6 months of service with the City of Amarillo, your premium year of service used will be 12 years).
- ✓ If you choose not to enroll in the pre-65 medical and/or dental plans at time of retirement, your election is irrevocable where you cannot elect coverage at a later date.
- ✓ If your legal spouse is on the pre-65 medical/dental plans and you become divorced, the ex-spouse must be dropped from the coverage within 31 calendar days from the date of the divorce.
- ✓ Failure to drop an ineligible dependent within 31 calendar days from the event date may result in incurred claims not being paid and the member being responsible for all costs incurred.
- ✓ If you are divorced and later become married again, you cannot add a new legal spouse to these plans.
- ✓ You may drop coverage anytime throughout the year. You do not need to experience a qualifying life event, nor do you need to wait until open enrollment to cancel coverage for your legal spouse and/or children covered under the pre-65 medical/dental plan, however you cannot add them back on the plans later. Your election to drop pre-65 retiree healthcare coverage on yourself and/or your covered dependent is irrevocable.
- ✓ Child(ren) enrolled under the pre-65 retiree medical and dental plans can remain on the plans up to the age of 26. Coverage will then automatically be dropped on the last day of the month they turn 26 years of age.
- ✓ When either the retiree and/or spouse turns 65 and children are covered under the pre-65 medical/dental plans, the children will automatically be dropped from coverage at the end of the month that they turn 65.
- ✓ When the retiree and/or their spouse turns 65 years of age continuation of coverage through COBRA is not allowed and will transition to enrollment in Medicare using VIA Benefits at time of eligibility.
- ✓ If an employee retires and elects the pre-65 retiree medical/dental plans there will be no lapse in coverage moving from the active to the pre-65 plans. Your first premium payment on the pre-65 retiree plan is determined by the last day of the pay period following your retirement date.
- ✓ The Accounting Department mails out invoices at the beginning of each month for that current month's premium and premiums are due by the 19<sup>th</sup> of each month.
- ✓ Failure to pay premiums by the established deadline will result in termination of coverage. If coverage is terminated due to non-payment, coverage cannot be reinstated for the retiree and/or dependents enrolled under the pre-65 plans.

## When Coverage Begins: Pre-65 Retiree Medical and Dental Plans (Continued)

- ✓ Monthly premiums payment options are: 1) checking or savings account drafted out of the account on the 20th of each month or 2) by personal check or money order mailed in or dropped off in person and received in Accounting by the 20th of each month. Note: If funds are not available when drafted then failure to pay the premiums owed can result in coverage being terminated and there will be a \$30.00 NSF fee. The Accounting Office's phone number is located under Benefit Contacts.
- ✓ Pre-65 Healthcare Premiums Deducted from Pension Checks
  - Firefighters – Medical, dental and life insurance premiums can be deducted from the monthly pension check by filling out an Insurance Premium Payment Deduction form at the time of retirement.
  - If there is an increase in premiums for the following calendar year and you have elected insurance premiums to be deducted from your pension check, you will be required to fill out and return the signed form by the established deadline. These forms will be mailed to your home address on file at the end of the year for the following calendar year change. Failure to return the signed form in a timely fashion will result in the change in premiums being overdue which could result in termination of coverage for failure to make up the difference in premium owed. It is the retiree's responsibility to make sure their insurance premiums are paid on time and the form is returned to the Finance Department.
- ✓ Eligibility for Medicare while on Pre-65 Medical Plan
  - If either the Retiree and/or spouse becomes eligible for Medicare while on the City's pre-65 retiree medical plan and medical coverage is continued through the City, Medicare pays primary, and the City's medical plan will be secondary.
  - If either the retiree or spouse becomes eligible for Medicare and does not enroll during the enrollment window, the medical plan will apply a Medicare estimate first and then will pay according to the pre-65 medical plan benefits.
  - If the Retiree and/or spouse is eligible for Medicare and drops the pre-65 medical insurance with the City, they will not be eligible to re-enroll in the pre-65 medical plan and will forfeit their post-65 HRA medical benefit. This election is thus irrevocable.
- ✓ If the Retiree Dies:
  - Legal spouse enrolled under the pre-65 medical/dental plan will be allowed to stay on the plans up to the age of 65.
  - If the legal spouse remains on the pre-65 medical plan up to their 65th birthday, they are eligible for the HRA benefit in the amount up to \$1800 a year.
  - Child(ren) enrolled under the pre-65 medical/dental plan will be automatically dropped from coverage at the end of the month when the retiree's spouse turns 65 years of age.
- ✓ Annual Benefit Plan Changes:
  - **The Benefits Department will provide the opportunity one time each year in the October/November timeframe where you can elect to change from either the Medical and/or Dental plan. However, you cannot add new dependents to the pre-65 retiree plans.**
- ✓ COBRA continuation may be eligible for dependents losing coverage under the medical and/or dental plans. Sterling administers the COBRA plan for the City and any questions can be directed to the vendor and their contact information is listed on pg. 2 of the guide.

## When Coverage Ends: Pre-65 Retiree Medical and Dental Plans

Your pre-65 medical (includes prescription)/dental benefits will end the last day of the month prior to the month you turn 65 years of age. The only exception is if your birthday falls on the 1st of the month, Medicare then begins the 1st of the previous month you turn 65 years of age (i.e., July 1st birthday, Medicare begins June 1st). You will then be eligible to enroll in the Medicare Exchange Service offered by VIA Benefits through Willis Towers Watson.

# Medical Plans

The Medical Plans are an Exclusive Provider Organization (EPO) medical plan through Aetna and it offers you access to a broad network of in-network providers and facilities. The medical plan will only provide coverage for in-network services. Out-of-network services “will not” be covered under the medical plan. However, in emergency situations out-of-network services may be covered under the medical plan. Note: Outside the local Amarillo area there is a nationwide network through Aetna where you can seek care from other in-network providers and facilities.

In the local Amarillo area, the in-network hospital/facilities you can use is through Northwest Texas Hospital. Services performed at BSA hospital/facilities are out-of-network and will not be covered under the medical plan.

Locate in-network providers/facilities at [www.Aetna.com](http://www.Aetna.com) or through the Aetna Health App (Text “AETNA” to 90156 to receive a link to download the Aetna Health App). First time users must set up and register an account through the Aetna site or App. Once registered, you can locate in-network providers/facilities locally or nationwide. You must log into your account every time to locate in-network facilities/providers. Aetna customer service representatives are also available to assist with in-network searches and their number is located on your Aetna card.

A medical card with prescription information on the back of the card is mailed to your home address on file for new hires and replacement cards can be requested by contacting Aetna customer service.

# Post-65 Retiree Benefits

---

Retirees and their legal spouse must be enrolled in the medical plan at time of retirement to be eligible for the post-65 HRA benefit offered by VIA Benefits through Towers Watson.

If the retiree and/or spouse are 65 years of age or older at time of retirement, they will enroll in VIA Benefits through Towers Watson at time of retirement. Your current medical and dental coverage will continue through the end of the following month after retirement and you will self-pay these premiums directly to the Accounting Office.

The retiree and/or spouse will be transitioned to this service when they reach the age of 65 and are Medicare eligible. Enrollment in Medicare using VIA Benefits at time of eligibility allows the retiree and/or spouse up to \$1800 each year into a Health Reimbursement Account (HRA). The HRA allows you to pay for Medicare insurance premiums and other healthcare eligible expenses. Additional information about this benefit is provided below.

- ✓ The retiree and/or spouse who is attaining age 65 will be transitioned off the retiree medical and dental plans. All other dependents who are eligible will remain on the plan(s) until they no longer meet the eligibility requirements. This may result in a change in healthcare insurance premiums, so it is important that retirees check their ACH after there is a change in coverage.
- ✓ You and your legal spouse enrolled in the pre-65 medical plan are both eligible up to \$1800 each year through VIA Benefits for your post-65 retirement HRA benefit. The first year will be prorated based on the date of retirement.
- ✓ **Approximately 3 months from your 65<sup>th</sup> birthday** you should receive enrollment materials from VIA Benefits. If you have not received this information by this time, please contact VIA Benefits.
- ✓ **The employee is eligible to remain on this plan for their lifetime unless disenrollment from VIA Benefits occurs.**
- ✓ **You must stay enrolled in VIA Benefits to continue receiving this benefit. If you go outside VIA Benefits you cannot continue to receive these benefits and you cannot enroll at a later date.**
- ✓ If the retiree passes away, the spouse is still eligible to continue the HRA benefit for their lifetime unless disenrollment from VIA Benefits occurs.
- ✓ VIA Benefits customer service number is 1-844-596-0468, M-F, 7am to 6pm CST and their employee website is <https://my.viabenefits.com/cityofamarillo>.

# Medicare Part D Creditable Coverage Notice

## Important Notice from the City of Amarillo About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with the City of Amarillo (the “Plan Sponsor”) and about your options under Medicare’s prescription drug coverage. This information can help you decide whether you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare’s prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. The City of Amarillo has determined that the prescription drug coverage offered by the City of Amarillo Group Health Plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

---

### When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15<sup>th</sup> to December 7<sup>th</sup>.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

### What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current City of Amarillo coverage will be affected. If you do decide to join a Medicare drug plan and drop your current City of Amarillo coverage, be aware that you and your dependents will not be able to get this coverage back.

### When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with the City and don’t join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

### For More Information About This Notice Or Your Current Prescription Drug Coverage...

Contact the person listed on the following page for further information. **NOTE:** You’ll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through the City of Amarillo changes. You also may request a copy of this notice at any time.

### **For More Information About Your Options Under Medicare Prescription Drug Coverage...**

# General Notice of COBRA Continuation Coverage Rights

## Continuation Coverage Rights under COBRA

### Introduction

You're getting this notice because you recently gained coverage under a group health plan (City of Amarillo). This notice has important information about your right to COBRA continuation coverage, which is a temporary extension of coverage under the Plan. **This notice explains COBRA continuation coverage, when it may become available to you and your family, and what you need to do to protect your right to get it.** When you become eligible for COBRA, you may also become eligible for other coverage options that may cost less than COBRA continuation coverage.

The right to COBRA continuation coverage was created by a federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA continuation coverage can become available to you and other members of your family when group health coverage would otherwise end. For more information about your rights and obligations under the Plan and under federal law, you should review the Plan's Summary Plan Description or contact the Plan Administrator.

**You may have other options available to you when you lose group health coverage.** For example, you may be eligible to buy an individual plan through the Health Insurance Marketplace. By enrolling in coverage through the Marketplace, you may qualify for lower costs on your monthly premiums and lower out-of-pocket costs. Additionally, you may qualify for a 30-day special enrollment period for another group health plan for which you are eligible (such as a spouse's plan), even if that plan generally doesn't accept late enrollees.

### What is COBRA Continuation Coverage?

COBRA continuation coverage is a continuation of Plan coverage when it would otherwise end because of a life event. This is also called a "qualifying event." Specific qualifying events are listed later in this notice. After a qualifying event, COBRA continuation coverage must be offered to each person who is a "qualified beneficiary." You, your spouse, and your dependent children could become qualified beneficiaries if coverage under the Plan is lost because of the qualifying event. Under the Plan, qualified beneficiaries who elect COBRA continuation coverage must pay for COBRA continuation coverage.

If you're an employee, you'll become a qualified beneficiary if you lose your coverage under the Plan because of the following qualifying events:

- Your hours of employment are reduced; or
- Your employment ends for any reason other than your gross misconduct.

If you're the spouse of an employee, you'll become a qualified beneficiary if you lose your coverage under the Plan because of the following qualifying events:

- Your spouse dies;
- Your spouse's hours of employment are reduced;
- Your spouse's employment ends for any reason other than his or her gross misconduct;
- Your spouse becomes entitled to Medicare benefits (under Part A, Part B, or both); or
- You become divorced or legally separated from your spouse.

If you're dependent children will become qualified beneficiaries if they lose coverage under the Plan because of the following qualifying events:

- The parent-employee dies;
- The parent-employee's hours of employment are reduced;
- The parent-employee's employment ends for any reason other than his or her gross misconduct;
- The parent-employee becomes entitled to Medicare benefits (Part A, Part B, or both);
- The parents become divorced or legally separated; or
- The child stops being eligible for coverage under the Plan as a "dependent child."

Sometimes, filing a proceeding in bankruptcy under Title 11 of the United States Code can be a qualifying event. If a proceeding in bankruptcy is filed with respect to the City of Amarillo, and that bankruptcy results in the loss of coverage of any retired employee covered under the Plan, the retired employee will become a qualified beneficiary. The retired employee's spouse, surviving spouse, and dependent children will also become qualified beneficiaries if bankruptcy results in the loss of their coverage under the Plan.

## When is COBRA Continuation Coverage Available?

The Plan will offer COBRA continuation coverage to qualified beneficiaries only after the Plan Administrator has been notified that a qualifying event has occurred. The employer must notify the Plan Administrator of the following qualifying events:

- The end of employment or reduction of hours of employment;
- Death of the employee;
- Commencement of a proceeding in bankruptcy with respect to the employer; or
- The employee's becoming entitled to Medicare benefits (under Part A, Part B, or both).

For all other qualifying events (divorce or legal separation of the employee and spouse or a dependent child's losing eligibility for coverage as a dependent child), you must notify the Plan Administrator at 806-378-4235 within 60 days after the qualifying event occurs. You must provide this notice to the Benefits Department with required documentation.

## How is COBRA Continuation Coverage Provided?

Once the Plan Administrator receives notice that a qualifying event has occurred, COBRA continuation coverage will be offered to each of the qualified beneficiaries. Each qualified beneficiary will have an independent right to elect COBRA continuation coverage. Covered employees may elect COBRA continuation coverage on behalf of their spouses, and parents may elect COBRA continuation coverage on behalf of their children.

COBRA continuation coverage is a temporary continuation of coverage that generally lasts for 18 months due to employment termination or reduction of hours of work. Certain qualifying events, or a second qualifying event during the initial period of coverage, may permit a beneficiary to receive a maximum of 36 months of coverage.

### **There are also ways in which this 18-month period of COBRA continuation coverage can be extended:**

#### **Disability Extension of 18-Month Period of Continuation Coverage**

If you or anyone in your family covered under the Plan is determined by Social Security to be disabled and you notify the Plan Administrator in a timely fashion, you and your entire family may be entitled to get up to an additional 11 months of COBRA continuation coverage, for a maximum of 29 months. The disability would have to have started at some time before the 60th day of COBRA continuation coverage and must last at least until the end of the 18-month period of COBRA continuation coverage.

#### **Second Qualifying Event Extension of 18-Month Period of Continuation Coverage**

If your family experiences another qualifying event during the 18 months of COBRA continuation coverage, the spouse and dependent children in your family can get up to 18 additional months of COBRA continuation coverage, for a maximum of 36 months, if the Plan is properly notified about the second qualifying event. This extension may be available to the spouse and any dependent children getting COBRA continuation coverage if the employee or former employee dies; becomes entitled to Medicare benefits (under Part A, Part B, or both); gets divorced or legally separated; or if the dependent child stops being eligible under the Plan as a dependent child. This extension is only available if the second qualifying event would have caused the spouse or dependent child to lose coverage under the Plan had the first qualifying event not occurred.

## Are There Other Coverage Options Besides COBRA Continuation Coverage?

Yes. Instead of enrolling in COBRA continuation coverage, there may be other coverage options for you and your family through the Health Insurance Marketplace, Medicaid, or other group health plan coverage options (such as a spouse's plan) through what is called a "special enrollment period." Some of these options may cost less than COBRA continuation coverage. You can learn more about many of these options at [www.healthcare.gov](http://www.healthcare.gov).

## If You Have Questions

Questions concerning your Plan or your COBRA continuation coverage rights should be addressed to the contact or contacts identified below. For more information about your rights under the Employee Retirement Income Security Act (ERISA), including COBRA, the Patient Protection and Affordable Care Act, and other laws affecting group health plans, contact the nearest Regional or District Office of the U.S. Department of Labor's Employee Benefits Security Administration (EBSA) in your area or visit [www.dol.gov/ebsa](http://www.dol.gov/ebsa). (Addresses and phone numbers of Regional and District EBSA Offices are available through EBSA's website.) For more information about the Marketplace, visit [www.healthcare.gov](http://www.healthcare.gov).

## Keep Your Plan Informed of Address Changes

To protect your family's rights, let the Plan Administrator know about any changes in the addresses of family members. You should also keep a copy, for your records, of any notices you send to the Plan Administrator.

**Plan Contact Information:** If you have any questions about COBRA continuation coverage, call the City of Amarillo Benefits Department at 806-378-4235.

# Health Insurance Marketplace Coverage Options and Your Health Coverage

---

## **PART A: General Information**

Since key parts of the health care law took effect in 2014, there is another way to buy health insurance: the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the Marketplace and employer-based health coverage offered by your employer.

### **What is the Health Insurance Marketplace?**

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a tax credit that lowers your monthly premium right away. Typically, you can enroll in a Marketplace health plan during the Marketplace's annual Open Enrollment period with coverage starting the 1<sup>st</sup> of January of the following calendar year or if you experience a qualifying life event.

### **Can I Save Money on my Health Insurance Premiums in the Marketplace?**

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income.

### **Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?**

Yes, if you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer's health plan. However, you may be eligible for a tax credit that lowers your monthly premium or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.5% of your household income for the year, or if the coverage your employer provides does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit.

Note: If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution -as well as your employee contribution to employer-offered coverage- is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.<sup>1</sup>

### **How Can I Get More Information?**

For more information about your coverage offered by your employer, please check your Summary Plan Description or contact City of Amarillo Benefits Manager at 601 S. Buchanan Street, Amarillo, TX 79105-1971 or by phone 1-806-378-9379.

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit [HeathCare.gov](http://HeathCare.gov) for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

<sup>1</sup>An employer-sponsored health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs.

## PART B: Information About Health Coverage Offered by Your Employer

## Newborns' Act Disclosure

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal Law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

## Women's Health and Cancer Rights Act (WHCRA)

Do you know that your plan, as required by the Women's Health and Cancer Right Act of 1998, provides benefits for mastectomy-related services, including all stages of reconstruction and surgery to achieve symmetry between the breasts, prostheses and treatment for complications resulting from a mastectomy, including lymphedema? Call your Plan Administrator at 1-806-378-4235 for more information.

## Notice of Special Enrollment Rights

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage). However, you must request enrollment within **31 calendar days** after your dependent's other coverage ends (or after the employer stops contributing toward the other coverage).

In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment no later than 31 calendar days after the marriage, birth, adoption, or placement for adoption.

Effective April 1, 2009, if either of the following two events occur, you will have **60 days after the date of the event** to request enrollment in your employer's plan:

- Your dependents lose Medicaid or CHIP coverage because they are no longer eligible.
- Your dependents become eligible for a state's premium assistance program.

To take advantage of special enrollment rights, you must experience a qualifying event and provide the City of Amarillo's Benefits Department with timely notice of the event and your enrollment request.

To request special enrollment or obtain more information, contact the City of Amarillo's Benefits Department at 1-806-378-4235.

## CHIP NOTICE

### Premium Assistance Under Medicaid and the Children’s Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit [www.healthcare.gov](http://www.healthcare.gov).

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or [www.insurekidsnow.gov](http://www.insurekidsnow.gov) to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at [www.askebsa.dol.gov](http://www.askebsa.dol.gov) or call **1-866-444-EBSA (3272)**.

**If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of October 15, 2021. Contact your State for more information on eligibility –**
