Medical Plans

The Medical Plans are an Exclusive Provider Organization (EPO) through Aetna and it offers you access to a broad network of in-network providers and facilities. The medical plan will only provide coverage for in-network services. Out-of-network services “will not” be covered under the medical plan. However, in emergency situations out-of-network services may be covered under the medical plan. Note: Outside the local Amarillo area there is a nationwide network through Aetna where you can seek care from other in-network providers and facilities.

In the local Amarillo area, the in-network hospital/facilities you can use is through Northwest Texas Hospital. Services performed at BSA hospital/facilities are out-of-network and will not be covered under the medical plan.

Locate in-network providers/facilities at www.Aetna.com or through the Aetna Health App (Text “AETNA” to 90156 to receive a link to download the Aetna Health App). First time users must set up and register an account through the Aetna site or App. Once registered, you can locate in-network providers/facilities locally or nationwide. You must log into your account every time to locate in-network facilities/providers. Aetna customer service representatives are also available to assist with in-network searches and their number is located on your Aetna card.

A medical card with prescription information on the back of the card is mailed to your home address on file for new hires and replacement cards can be requested by contacting Aetna customer service.

NEW IN 2025! CVS Virtual Care: CVS Virtual Care is a virtual medical benefit offered to employees and their dependents enrolled in the medical plan. Virtual visits are available for minors 18 months to 18 years old. When dependents become an adult (18 years of age or older and are enrolled in the medical plan), they can get adult care options by setting up their own account.

It's your care, your way

Enrolled members will have access to on-demand sick care, primary care, and mental health services at no cost to the member. This virtual care option is in addition to your traditional in-network providers. Access is included in your medical plan, made available through Aetna®, a CVS Health® company.

Here is what is included:

On-demand Sick Care – Available to adults and children over 18 months (24/7 including holidays):

- Obtain virtual care ASAP for non-emergency services with licensed providers for common illnesses (cough, colds, flu), common infections (ear, sinus, skin, urinary tract infections), and one-time medication refills.

Virtual Primary Care – Available to adults ages 18 and up (M-F, 7:00am to 7:00pm CST):

- Choose a dedicated provider and get a supporting Care Team.
- Schedule a primary care visit with your provider in days, not weeks.
- Ask your Care Team questions at any time, from anywhere through secure messaging.
- Schedule visits for routine care, sick care, and chronic illness management for things like diabetes, high blood pressure, allergies, etc.

Virtual Mental Health Services – Available to adults and children ages 13 and up (7 days a week, 8:00am to 7:30pm CST):

- Consult with a licensed therapist for mental health services and get help with medication management.

Additional Benefits:

- When in person follow up care is needed, CVS will help coordinate those referrals with in-network providers.
- Access to your personal health information and lab results is available through the health dashboard.

What's next? Go to [CVS.com/virtual-care](https://www.CVS.com/virtual-care) to register and set up your account for future virtual care or to learn more about these virtual care services. You can also click on “Get Quick Care” after logging into the Aetna website (www.Aetna.com) or App. A telephonic option is not available with this benefit.

24-Hour Nurse Line: The 24-Hour Nurse Line can provide helpful information and possibly prevent an unneeded trip to the doctor's office. You can call the toll-free number listed in this guide on pg. 2 or go to www.Aetna.com and log into your account.

Quest Diagnostic Labs: Lab work is 100% paid. Log into your account at www.Aetna.com to locate local/nationwide providers. The Amarillo location is at 2207 S. On date of hire or on the status change date from a part-time to full-time position, employees are automatically enrolled in the \$10,000 Employee Basic Life Insurance & Accidental Death & Dismemberment (AD&D) benefit that is paid by the employer. Additional Life Insurance is available for yourself, your legal spouse and/or dependent children (through 25 years of age). These premiums are paid by the employee and deducted from your paycheck on a post-tax basis. Information is provided below regarding the insurance plans available to you.

Each EOI is reviewed on an individual basis and the medical underwriters would request additional information if needed. The Standard will pay for additional testing if required. ○ Premiums elected will be based on your age as of January 1st of the current calendar year. ○ Age reductions at age 70 and 75 will reduce the amount of coverage available to you.

Dependent Children

Dependent Children Additional Life Insurance

- Additional Life Insurance – **EMPLOYEE PAID (POST-TAX)**
 - \$10,000 policy for each eligible child at a bi-weekly premium of .46 cents.
 - No EOI is required.
 - Dependent children are covered through 25 years of age.

Additional Life Insurance Employee Age Bracket and Employee/Spouse Age Reduction Changes

The Benefits Department will make any changes to your premiums and/or coverage levels at the beginning of each calendar year based on age bracket changes or age reductions at age 70 or 75 from the previous calendar year (January 1 through December 31st). These changes will be reflected on the first paycheck received in January. For example, your age as of January 1st of the current year (which is noted on your enrollment form) is 54 years of age. You turn 55 years of age in the current calendar year which caused you to go to the next age bracket of 55-59 years of age. Your insurance premium will then increase the following year based on your age bracket change. If you or your spouse turns 70 or 75 years of age in the previous calendar year, your coverage level and premiums will change in the following calendar year.

Evidence of Insurability (EOI)

If you are electing greater than \$250,000 (\$260,000 or more) of coverage under the Employee Additional Life Insurance Plan you will need to go online to Standard's website at <https://myeoi.standard.com/646089> and complete the EOI form within 31 calendar days from your eligibility date.

Updating Life Insurance Beneficiaries

You can update your life insurance beneficiaries anytime throughout the year through the online system.

Voluntary Long-Term Disability (LTD)

The Standard Insurance Company "The Standard" is the vendor for the voluntary LTD plan. This is an employee paid post-tax benefit and it offers income replacement if you are continuously disabled for 90 consecutive days or longer.

A summary of this benefit is provided below:

- For qualifying disabilities, you must be continuously disabled for 90 days before you become eligible to receive your monthly benefit.
- If approved, you will receive 60% of your eligible earnings, up to a maximum benefit of \$12,500 per month.
- For a continuous disability, your benefits may last until your Social Security Normal Retirement Age depending on your age at time of disability. If you become disabled before age 62, LTD benefits may continue during disability until age 65 or to the Social Security Normal Retirement Age (SSNRA) or 3 years, 6 months, which is longer. If you become disabled at age 62 or older, the benefit duration is determined by the age when disability begins.
- Your benefits will be reduced if you have deductible income, which is income you receive or are eligible to receive while receiving LTD benefits. Some examples of deductible income include sick or annual leave pay and/or benefits being received under workers' compensation.
- If you enroll in the voluntary long-term disability benefit at time of hire or status change to full-time, your first premium deduction will be reflected on your first paycheck or the paycheck that covers your status change effective date.
- If you feel that you may have a qualifying disability where you will be out more than 90 consecutive calendar days, it is suggested that you begin the disability claim process after 30 days of your disability. The disability claim packet and filing a claim Frequently Asked Questions (FAQs) can be requested by contacting the Benefits Department.
- If you have further questions about this benefit, please contact the Standard's customer service at 1-800-368-1135.

Flexible Spending Accounts (FSAs)

ASI Flex is the vendor for Flexible Spending Accounts for Health Care and Dependent Day Care. FSA accounts allow you to set aside money from your paycheck pre-tax to pay for out-of-pocket health care expenses and child day care expenses and, in some cases, elder care expenses. You can enroll in one or both FSA plans. A list of eligible expenses can be found on the ASI Flex website.

What is a Health Care Flexible Spending Account (HCFSA)?

Eligible expenses include medical, prescriptions, dental, vision, hearing and over-the-counter health care products for yourself, your qualifying spouse, and children. A Debit Card will be automatically mailed to new enrollees in the HCFSA plan only and can be presented at point of sale in place of submitting a claim.

How much can I contribute to my HCFSA?

The minimum you can contribute is \$100 and maximum is \$3,200.

What is a Dependent Day Care Flexible Spending Account (DCFSA)?

Eligible expenses are those incurred while you and your spouse, if married, work or look for work. This can include daycare, general purpose day camps (overnight camp is not eligible), regular babysitting, before and after school care, nursery or preschool, and pre-kindergarten expenses.

How much can I contribute to my DCFSA?

The minimum you can contribute is \$100. Your contribution maximum limit is determined by your tax filing status. Married Filing Separately is \$2,500 and Single, Head of Household, or if Married Filing Jointly is \$5,000.

Does a DCFSA impact the tax credit on my income tax return?

You cannot claim a tax credit for amounts contributed to your DCFSA. However, you may be able to claim a tax credit for amounts, up to IRS limits, not contributed to your DCFSA.

How do I submit claims and get reimbursed?

- **HCFSA** – As you incur expenses, you can submit a claim to be reimbursed. FSA monies elected under this Plan are available when you first become eligible for benefits or at the beginning of the calendar year following your Open Enrollment election.
- **DCFSA** – Your funds are available as you contribute throughout the year via payroll deduct into your account.

Under both FSA Plans there are several easy ways to submit claims. You do not have to choose only one option; you can use multiple options throughout the year:

- **ASIFlex Mobile App** – Download the app and log into your account. Then, just snap a picture of your itemized receipt and submit a claim via the app. You can also access your balance and account statement.
- **ASIFlex Online** – Sign into your online account to submit a claim. Go to www.ASIFlex.com to see your account statement and balance, submit claims, sign up for email, text alerts and direct deposit.
- **Toll-Free Fax or Mail** – Download and complete a claim form. Then, submit it with your itemized receipt. Keep a copy for your records.

Reimbursements will be made to you within three business days following receipt of a complete claim. Log into your ASIFlex account to sign up for direct deposit reimbursement to a bank account of your choice.

There is a grace period allowed under both FSA Plans that provides additional time to incur expenses. You have from January 1st through December 31st each calendar year and an additional grace period through March 15th of the following calendar year to incur expenses (15-1/2 months total). The deadline to submit reimbursements is June 15th of the following calendar year. If you have funds left in your account after March 15th of the following calendar year and no further expenses to submit you will then forfeit these funds into your FSA account(s) per IRS regulations.

Pension Benefits

Texas Municipal Retirement System (TMRS)

TMRS is a retirement pension program for civilians (includes Fire Marshalls) and police officers. Eligible employees will automatically be enrolled in this program on date of hire for new employees or when they meet eligibility requirements for status changes. You cannot stop your employee contributions during your employment. You contribute 7% of your gross compensation each pay period on a pre-tax basis and your employer will make a 17.4% matching contribution into your TMRS retirement account.

When you have 5 years of service credit you are 100% vested. You earn a month of service credit toward retirement each month you make a deposit while employed in an eligible position. As a vested member, if you leave TMRS-covered employment, you may leave your deposits (includes employee/employer matching contributions) with TMRS, and your deposits will continue to earn yearly interest credits until you retire. If you are not vested and leave TMRS-covered employment, you may leave your deposits (includes only employee contributions) with TMRS up to 5 years and your deposits will continue to earn yearly interest credits. Download the TMRS App and register your account for easy access to your personal information.

Service credit with other statewide retirement systems or government entities may also count toward your eligibility for service retirement. With combined service, you may be able to retire earlier. Contact the Benefits Department for more information on Prior Service Credit.

To be eligible to retire and receive a pension annuity you must meet the following eligibility requirements. You must have at least 20 years of service at any age or be at least 60 years of age with 5 years of service or receive approval for disability retirement through TMRS.

You will be mailed a TMRS packet to your home address on file. You will need to set up your account online at www.tmr.com or through the TMRS App and make your beneficiary elections. Any address or name changes will need to be updated through TMRS. After you meet your vesting requirement of 5 years, TMRS will require you to update your beneficiary information.

Active Employees – Considering Future Retirement

This is a free service provided to employees through Via Benefits that is a resource providing guidance to help assist you in planning and questions you have regarding health insurance during retirement including Medicare. Visit the New Discover VIA Benefits Website at <https://my.viabenefits.com/discover/> or call customer service at 1-855-803-2540, M-F, 7am to 8pm CST.

Future Retiree Benefits

To be eligible to receive these benefits you must be enrolled in the medical and/or dental plans on the day you retire and have at least 20 years of service at any age or be at least 60 years of age or older with at least 10 years of service or received approval for disability retirement through TMRS or AFRRF.

Pre-65 Retiree Medical/Dental

You must be enrolled in the City's medical and/or dental plans at the time of retirement to be eligible for this benefit. Only dependents (legal spouse and eligible children) enrolled in these plans prior to retirement are eligible to enroll in the pre-65 medical/dental plans. If an employee retires and elects the pre-65 medical/dental plans there will be no lapse in coverage moving from the active to the pre-65 medical/dental plans. Retiree medical premiums are based on your years of service with the City of Amarillo (i.e., you have 12 years and 6 months of service at time of retirement, your premium will be based on 12 years of service). Once the retiree or retiree spouse turns 65 years of age they will transition to enrollment in Medicare and be eligible to participate in the post-65 retiree benefit offered through VIA Benefits. The children will automatically be dropped from coverage at the end of the month the retiree or spouse turns 65 or when the child turns 26 years of age (whichever comes first).

Health Reimbursement Account (HRA) Sick Leave Benefit

At time of retirement, Civilian, Police Officers, and 8-hour Firefighters will be allowed to convert any available sick leave, above 90 days of sick leave (720 hours) paid at retirement into a Health Reimbursement Account (HRA). Each 30 hours of accrued sick leave above 90 days will be converted to the equivalent of one month of retiree only medical coverage at the current rate for Medical Plan 1. The resulting dollar value will be deposited into the retiree's HRA. 12-hour Firefighters who retire will be allowed to convert any available sick leave, above the 90 days (1080 hours) paid at retirement into an HRA. Each 42 hours of accrued sick leave above 90 days will be converted to the equivalent of one month of retiree only medical coverage at the current rate for Medical Plan 1. The resulting dollar value will be deposited into the retiree's HRA.

Retiree/Spouse Life Insurance

Retirees are eligible to elect a \$5,000 or \$10,000 life insurance policy on themselves at time of retirement. A retiree spouse life insurance policy is available in the amount of \$5,000 only if the retiree elects the \$10,000 policy for themselves. If you enroll in the retiree life insurance, you can still convert your active life insurance into a whole life insurance policy. If the retiree chooses not to enroll in the retiree life insurance, the retiree can port their life insurance to a term life insurance policy. When converting or porting your active life insurance, you must contact the life insurance provider within 31 calendar days from the date of retirement.

Post-65 Retiree Benefits

Retirees and their legal spouse must be enrolled in the medical plan at time of retirement to be eligible for the post-65 Health Reimbursement Account (HRA) benefit offered by VIA Benefits through Towers Watson. The retiree and/or spouse will be transitioned to this service when they reach the age of 65 and are Medicare eligible. Enrollment in Medicare using VIA Benefits at time of eligibility allows the retiree and/or spouse up to \$1800 each year into an HRA. The HRA allows you to pay for Medicare supplemental insurance premiums and other healthcare eligible expenses. The first year you transition to Via Benefits the HRA amount received will be prorated.

Employees that are within 3 years of retirement eligibility and have a required amount of accrued sick leave at time of request may be eligible for the 457 Deferred Compensation rollover option. We may disclose protected health information to Business Associates once they have agreed in writing to safeguard the protected health information. For example, we may disclose your protected health information to a Business Associate to administer claims. Business Associates are also required by law to protect protected health information.

Medicare Part D Creditable Coverage Notice

Important Notice from the City of Amarillo About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with the City of Amarillo (the “Plan Sponsor”) and about your options under Medicare’s prescription drug coverage. This information can help you decide whether you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare’s prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. The City of Amarillo has determined that the prescription drug coverage offered by the City of Amarillo Group Health Plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current City of Amarillo coverage will be affected. If you do decide to join a Medicare drug plan and drop your current City of Amarillo coverage, be aware that you and your dependents will not be able to get this coverage back.

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with the City and don’t join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

For More Information About This Notice Or Your Current Prescription Drug Coverage...

Contact the person listed on the following page for further information. **NOTE:** You’ll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through the City of Amarillo changes. You also may request a copy of this notice at any time.

For More Information About Your Options Under Medicare Prescription Drug Coverage...

More detailed information about Medicare plans that offer prescription drug coverage is in the “Medicare & You” handbook. You’ll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage:

- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the “Medicare & You” handbook for their telephone number) for personalized help.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at www.socialsecurity.gov, or call them at 1-800-772-1213 (TTY 1-800-325-0778).

General Notice of COBRA Continuation Coverage Rights

Continuation Coverage Rights under COBRA

Introduction

You're getting this notice because you recently gained coverage under a group health plan (City of Amarillo). This notice has important information about your right to COBRA continuation coverage, which is a temporary extension of coverage under the Plan. **This notice explains COBRA continuation coverage, when it may become available to you and your family, and what you need to do to protect your right to get it.** When you become eligible for COBRA, you may also become eligible for other coverage options that may cost less than COBRA continuation coverage.

The right to COBRA continuation coverage was created by a federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA continuation coverage can become available to you and other members of your family when group health coverage would otherwise end. For more information about your rights and obligations under the Plan and under federal law, you should review the Plan's Summary Plan Description or contact the Plan Administrator.

You may have other options available to you when you lose group health coverage. For example, you may be eligible to buy an individual plan through the Health Insurance Marketplace. By enrolling in coverage through the Marketplace, you may qualify for lower costs on your monthly premiums and lower out-of-pocket costs. Additionally, you may qualify for a 30-day special enrollment period for another group health plan for which you are eligible (such as a spouse's plan), even if that plan generally doesn't accept late enrollees.

What is COBRA Continuation Coverage?

COBRA continuation coverage is a continuation of Plan coverage when it would otherwise end because of a life event. This is also called a "qualifying event." Specific qualifying events are listed later in this notice. After a qualifying event, COBRA continuation coverage must be offered to each person who is a "qualified beneficiary." You, your spouse, and your dependent children could become qualified beneficiaries if coverage under the Plan is lost because of the qualifying event. Under the Plan, qualified beneficiaries who elect COBRA continuation coverage must pay for COBRA continuation coverage.

If you're an employee, you'll become a qualified beneficiary if you lose your coverage under the Plan because of the following qualifying events:

- Your hours of employment are reduced; or
- Your employment ends for any reason other than your gross misconduct.

If you're the spouse of an employee, you'll become a qualified beneficiary if you lose your coverage under the Plan because of the following qualifying events:

- Your spouse dies;
- Your spouse's hours of employment are reduced;
- Your spouse's employment ends for any reason other than his or her gross misconduct;
- Your spouse becomes entitled to Medicare benefits (under Part A, Part B, or both); or
- You become divorced or legally separated from your spouse.

If you're dependent children will become qualified beneficiaries if they lose coverage under the Plan because of the following qualifying events:

- The parent-employee dies;
- The parent-employee's hours of employment are reduced;
- The parent-employee's employment ends for any reason other than his or her gross misconduct;
- The parent-employee becomes entitled to Medicare benefits (Part A, Part B, or both);
- The parents become divorced or legally separated; or
- The child stops being eligible for coverage under the Plan as a "dependent child."

Sometimes, filing a proceeding in bankruptcy under Title 11 of the United States Code can be a qualifying event. If a proceeding in bankruptcy is filed with respect to the City of Amarillo, and that bankruptcy results in the loss of coverage of any retired employee

covered under the Plan, the retired employee will become a qualified beneficiary. The retired employee's spouse, surviving spouse, and dependent children will also become qualified beneficiaries if bankruptcy results in the loss of their coverage under the Plan.

When is COBRA Continuation Coverage Available?

The Plan will offer COBRA continuation coverage to qualified beneficiaries only after the Plan Administrator has been notified that a qualifying event has occurred. The employer must notify the Plan Administrator of the following qualifying events:

- The end of employment or reduction of hours of employment;
- Death of the employee;
- Commencement of a proceeding in bankruptcy with respect to the employer; or
- The employee's becoming entitled to Medicare benefits (under Part A, Part B, or both).

For all other qualifying events (divorce or legal separation of the employee and spouse or a dependent child's losing eligibility for coverage as a dependent child), you must notify the Plan Administrator at 806-378-4235 within 60 days after the qualifying event occurs. You must provide this notice to the Benefits Department with required documentation.

How is COBRA Continuation Coverage Provided?

Once the Plan Administrator receives notice that a qualifying event has occurred, COBRA continuation coverage will be offered to each of the qualified beneficiaries. Each qualified beneficiary will have an independent right to elect COBRA continuation coverage. Covered employees may elect COBRA continuation coverage on behalf of their spouses, and parents may elect COBRA continuation coverage on behalf of their children.

COBRA continuation coverage is a temporary continuation of coverage that generally lasts for 18 months due to employment termination or reduction of hours of work. Certain qualifying events, or a second qualifying event during the initial period of coverage, may permit a beneficiary to receive a maximum of 36 months of coverage.

There are also ways in which this 18-month period of COBRA continuation coverage can be extended:

Disability Extension of 18-Month Period of Continuation Coverage

If you or anyone in your family covered under the Plan is determined by Social Security to be disabled and you notify the Plan Administrator in a timely fashion, you and your entire family may be entitled to get up to an additional 11 months of COBRA continuation coverage, for a maximum of 29 months. The disability would have to have started at some time before the 60th day of COBRA continuation coverage and must last at least until the end of the 18-month period of COBRA continuation coverage. **Notification and required documentation must be provided to the COBRA Administrator for this extension request.**

Second Qualifying Event Extension of 18-Month Period of Continuation Coverage

If your family experiences another qualifying event during the 18 months of COBRA continuation coverage, the spouse and dependent children in your family can get up to 18 additional months of COBRA continuation coverage, for a maximum of 36 months, if the Plan is properly notified about the second qualifying event. This extension may be available to the spouse and any dependent children getting COBRA continuation coverage if the employee or former employee dies; becomes entitled to Medicare benefits (under Part A, Part B, or both); gets divorced or legally separated; or if the dependent child stops being eligible under the Plan as a dependent child. This extension is only available if the second qualifying event would have caused the spouse or dependent child to lose coverage under the Plan had the first qualifying event not occurred.

Are There Other Coverage Options Besides COBRA Continuation Coverage?

Yes. Instead of enrolling in COBRA continuation coverage, there may be other coverage options for you and your family through the Health Insurance Marketplace, Medicare, Medicaid, Children's Health Insurance Program (CHIP), or other group health plan coverage options (such as a spouse's plan) through what is called a "special enrollment period." Some of these options may cost less than COBRA continuation coverage. You can learn more about many of these options at www.healthcare.gov.

Can I enroll in Medicare instead of COBRA continuation coverage after my group health plan coverage ends?

In general, if you don't enroll in Medicare Part A or B when you are first eligible because you are still employed, after the Medicare initial enrollment period, you have an 8-month special enrollment period¹ to sign up for Medicare Part A or B, beginning on the earlier of:

- The month after your employment ends; or
- The month after group health plan coverage based on current employment ends.

If you don't enroll in Medicare and elect COBRA continuation coverage instead, you may have to pay a Part B late enrollment penalty and you may have a gap in coverage if you decide you want Part B later. If you elect COBRA continuation coverage and later enroll in Medicare Part A or B before the COBRA continuation coverage ends, the Plan may terminate your continuation coverage. However, if

Medicare Part A or B is effective on or before the date of the COBRA election, COBRA coverage may not be discontinued on account of Medicare entitlement, even if you enroll in the other part of Medicare after the date of the election of COBRA coverage.

If you are enrolled in both COBRA continuation coverage and Medicare, Medicare will generally pay first (primary payer) and COBRA continuation coverage will pay second. Certain plans may pay as if secondary to Medicare, even if you are not enrolled in Medicare.

Health Insurance Marketplace Coverage Options and Your Health Coverage

PART A: General Information

Even if you are offered health coverage through your employment, you may have other coverage options through the Health Insurance Marketplace ("Marketplace"). To assist you as you evaluate options for you and your family, this notice provides some basic information about the Health Insurance Marketplace.

What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options in your geographic area.

Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium and other out-of-pocket costs, but only if your employer does not offer coverage, or offers coverage that is not considered affordable for you and doesn't meet certain minimum value standards (discussed below). The savings on your premium that you're eligible for depends on your household income. You may also be eligible for a tax credit that lowers your costs.

Does Employment-Based Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that is considered affordable for you and meets certain minimum value standards, you will not be eligible for a tax credit, or advance payment of the tax credit, for your Marketplace coverage and may wish to enroll in your employment-based health plan. However, you may be eligible for a tax credit, and advance payments of the credit, that lowers your monthly premium, or a reduction in certain cost-sharing, if your employer does not offer coverage to you at all or does not offer coverage that is considered affordable for you or meet minimum value standards. If your share of the premium cost of all plans offered to you through your employment is more than 9.12%¹ of your annual household income, or if the coverage through your employment does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit, and advance payment of the credit, if you do not enroll in the employment-based health coverage. For family members of the employee, coverage is considered affordable if the employee's cost of premiums for the lowest-cost plan that would cover all family members does not exceed 9.12% of the employee's household income¹²

How Can I Get More Information?

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost.
